I'M MOVING IN THREE DAYS, AND I WANT TELEPHONE SERVICE AT MY NEW LOCATION.

THANKS FOR GIVING US THREE DAYS NOTICE. WE'LL BE RIGHT THERE TO CONNECT YOUR TELEPHONE.

TELEPHONE OFFICE

**GIVE US THREE DAYS NOTICE, PLEASE!**

The critical rubber situation makes it necessary for us to ask the cooperation of our patrons in reducing the mileage of our service trucks to the absolute minimum.

**YOU CAN HELP US SO MUCH!**

If you will give us your "move" orders, and your orders for "new service," at least THREE DAYS in advance of the time you will actually need the service, you will make it possible for us to arrange our truck trips in a way to save mileage—and our installers will be on the job at the appointed time, as in the past.

"Trouble" calls of a minor nature, which do not actually interfere with service, will be grouped and handled within a few days after they are reported. Other "trouble" calls—where service is actually suspended—will be scheduled for immediate handling, although there may be periods when labor and transportation shortages will slow us up to some extent.

By giving us your thoughtful co-operation in these matters you will help us to do our patriotic part in reducing truck mileage and tire wear.
