### Do Well on Coast

Mr. and Mrs. Lorence T. Rhoades, former Plattsmouth residents, are enjoying a great deal of success in their new home in California. Mr. Rhoades having had a number of mentions for his excellent suggestions and "Dusty" is now lead man over hydro department No. 30, at Vecitoe in Downey, California. This is a very fine advancement in this line of work in southern California.

Last week "Dusty" was awarded \$7.50 for a suggestion adopted in the plant where he was employed, the citation being as below:

Lorence T. Rhoades (30) was awarded \$7.50 for changing the recognized procedure in the hydro-press section. Each night, when the hydro-press is shut down the hydro table is cleared and the press is set down on the empty table. In the morning the dies were replaced and work continued. This unloading and loading operation took considerable time. As the result of this suggestion the procedure has been changed so that the dies remain on the table and one shift continues the work left unfinished by the preceding shift.

Mr. and Mrs. Rhoades are buying their home in the California city. They enjoy working in the flower garden and especially enjoy the orange and fruit trees.
