Pinkham's Vegetable Compound at once. It's the best known medicine you can buy that's made especially for women.

Pinkham's Compound is famous to relieve such distress. Taken regularly—it helps build up resistance against such annoying symptoms. It also is a fine stomachic tonic.

Thousands upon thousands of women—rich and poor alike—have reported benefits. Time and again Lydia Pinkham's Compound has proved some women's happiest days often can be during their "40's".
