SO ALL MAY EAT! SHARE THE MEAT

Per Capita meat consumption must be reduced to meet our vast wartime food program. Here's how you can help! Plan your meat budget to include 2 1/2 lbs. for each person over 12; 1 1/2 lbs. for children 6 to 12; 1 lb. for children under 6 years of age. "MANAGE YOUR MEAT". Distribute it thruout the week. LEARN MORE CUTS OF MEAT—learn to use the available cuts, also new to your family. SERVE SMALLER PORTIONS—fewer extra helpings. Combine your share with other wholesome foods, such as rice, noodles, dumplings and vegetables. Plan leftovers carefully. Remember meat goes further when cooked at moderate, even temperatures.
