

### Mrs. Martin Nielsen Dies At Home Near Weeping Water

Resident of Cass County Since 1904—Funeral Services Held At Weeping Water

From Wednesday's Daily—Ottamie Magrath Salling, daughter of Mr. and Mrs. Mogens Salling, was born in Kyalup, Denmark, on July 13, 1874, and passed away at the home of her daughter, Mrs. Walter Kassube, November 24, 1942, at the age of 68 years, 4 months and 11 days.

She grew to womanhood in her native country, where she was confirmed and baptized in the Lutheran Church.

April 19, 1900, she was united in marriage to Martin Nielsen, and in the year 1904 they came to Cass county, where they made their home, with the exception of a short time in another community. Most of these years have been spent near Weeping Water, on a farm, near town.

To this union eight children were born: With the exception of Peter, who preceded her in death, July 1, at Bakersfield, California, all with her husband, are left to mourn her death. They are Carter, Anton, and Svend, of Weeping Water; Julius of Honolulu; Mrs. Arthur Hansen, Alvo; Mrs. Harry Crister, and Mrs. Walter Kassube, Weeping Water.

There are also ten grandchildren, 1 sister, Mrs. Ed Swain, Palmer, Nebraska, several nephews and nieces, and a host of friends. Another sister, Mrs. H. P. Hansen, of Neligh, passed away just two days after her death.

Mrs. Nielsen had been gradually failing in health, and finally her condition became so serious that her daughter, Mrs. Walter Kassube took her to her home, where she has lovingly cared for her, assisted by her sister, Mrs. Harry Crister, who lives near, but the weakened condition of her heart could not stand the strain of a long illness. Her going is an irreparable loss to the members of the family. The husband is left desolate, and the sons and daughters have lost the hand which has guided them with such loving care throughout the years.

Funeral services were held Friday afternoon at the Congregational Church, with Rev. John L. Kemp in charge of the services. Special music was furnished by Victor Wallick, who sang "Abide With Me", and "Jesus is Calling". He was accompanied on the organ by his daughter, Martha Jane Wallick. Pall bearers were her sons and sons-in-law. They were Ashton, Carter, Svend, Harry Crister, Walter Kassube and Oscar Hansen. Interment was in Oakwood cemetery, with Hobson's Funeral Home in charge of all arrangements.

### Service Stations Do Record Business In Gas Monday

Filling station docks looked more like parking lots adjacent to night clubs yesterday and especially so late last night as the midnight deadline for the sale of unlimited quantities of gasoline drew closer.

The analogy between the parking lots and the docks goes only so far—to show how most docks appeared regarding the number of cars serviced yesterday. Concerning activity there was the greatest difference between a parking lot and any filling station dock in town yesterday.

Attendants really gave that "snappy service" for which they are famous. They ran, skipped and jumped from customer to cash register, and almost without exception it was not necessary to ask, "how many, please." Instead the driver barked, "fill 'er up."

John Cloidt reported that the dock at his station was congested all day long, and at times the cars were ten deep waiting for a fill of the precious liquid. At 10:30 p. m., Mr. Cloidt said that he ran out of gasoline and was unable to make sales up to midnight.

"I'd like to have a day like yesterday every day!" said A. T. McClanahan of the Conoco station. He also said he was plenty fortunate in having help throughout the day.

Carl Ofe of the Ofe Service Station laughed at the query, "how much did most customers ask for?" That was response enough to show that everyone wanted a full tank. Asked what were the busiest hours, he replied, "From 10 p. m., on."

F. H. Gerberling, Manager of the Standard Oil station, reported the usual "business was swell." He also spoke of a land office business last Friday night when a rumor developed that unlimited sales would cease that night at 12 o'clock.

Business at the Kent Oil station kept Manager Ray Storey and his helpers, Don Steppat, and Kenneth Hull on the go from morning till night. The rush here was said to be from 5 p. m. to 11:30. At noon the boys ran out of regular gas, but customers were glad to take ethyl.

At the Texaco station, managed by George O. Winscott, a good steady business was reported. The management here reported a brisk business with the farmers.

Charles Vallery and his assistant, Charlie Brinkman, report Monday as a red letter day for the sale of gas, they being kept busy from early in the day until at night. Everyone was getting as much gas as possible while the rationing time drew near.

Over 1600 gallons of gas were sold at the Phillips' 66 station according to the report of manager Al Huebner, who also said that he was kept very busy bringing gasoline to the pumps. Huebner said he ran low several times but managed to replenish the tanks in time.
