Paper hangers are equally hard to find when needed. A new field for woman workers here is that of paper hanging. It is not unusual to see a woman driving a car home, with ladders, and paperhangers paraphernalia bulging out of all parts of the car. Our women are certainly trying to do their bit to keep everything running as usual.

Mrs. Augusta Towle, 94, widow of the late Frank Towle, died Saturday evening, July 10, 1943, at the home of Mr. and Mrs. Theodore Davis, at Weeping Water, Neb. Mrs. Towle was born in Germany, and came to America when only six years old. Her trip to this new country was made in a sail boat, which required two months to make the passage across the Atlantic.  
She was married at Milwaukee, to Frank Towle, and they came to Cass County, Nebraska, in the year

of 1879, and engaged in farming a short distance southwest of Weeping Water. As the years passed they added more land to their original homestead, and became financially independent. They made trips to California and found the climate there so intriguing, that after retiring from the farm they moved to that western state, and lived there until the year of 1920, when Mr. Towle's health brought them back to Cass County. Mr. Towle passed away only two weeks after their return here. Mrs. Towle remained here until the year 1937 when she again went to California, returning to Weeping Water in 1941, making her home with close friends, and former neighbors, Mr. and Mrs. Theodore Davis. Fourteen months ago she fell and broke her hip, and was removed to Bryan Memorial hospital, where she remained six months, after which she was returned to the home of Mr. and Mrs. Davis, where she was cared for as if she were their own mother. Her appreciation of their care, and of the coming of her daughter-in-law, Mrs. George Towle, from Hollywood, Calif., to care for her, was expressed in many ways, and made her last days happy days.

Although unable to attend church for several years, Mrs. Towle was a member of Weeping Water Congregational church, and was active in all church work, when her health permitted. She was an earnest Christian woman, radiating strength and courage to all with whom she came into contact.

Six children came to their home. Four have preceded her in death. They were Gorge, Harry, and two daughters, Mrs. Lillian Brust, and Mrs. Mary Gwin. Two sons are living. They are Earl Towle, of Torrence, California, and Frank, of Lincoln. There are 16 grandchildren, 17 great-grandchildren, and three great, great grandchildren.
