Anderson-Ruffner

Mr. and Mrs. E. G. Ruffner announce the marriage of their daughter, Elizabeth Anne, to Pfc. Kenneth W. Anderson of Cheyenne, Wyo., on September 10, 1943.

The marriage was performed by Father Snider of St. Dominic's parish, Denver, Colorado. The ceremony was performed in a room of the rectory especially prepared for the occasion by Father Snider. A few friends of the couple attended.

The bride wore a tan suit with green accessories and the bridesmaid, Miss Mary McGowan, wore a British tan suit with brown accessories. Both wore carnation corsages.

The groom chose Maurice Wooten of Denver as his best man. The bride received her education at the Eight Mile Grove rural school and St. John's school of this city. She also attended Plattsmouth High school, from which she was graduated with the class of 1940.

For the past two years she has been taking nurse's training in St. Anthony's School of Nursing, Denver, Colo. She expects to continue with her training until graduation.

Pfc. Anderson received his education at the Bayard, Nebraska high school, graduating from there in 1940. He is now in the air corps and is stationed at Ajo, Arizona.

Aid Blood Plasma Cause The local chapter of the Daughters of the American Revolution have placed containers in business houses of the city where contributions for blood plasma funds may be contributed. The funds raised in this manner are to be expended in providing the blood storage for use in the armed forces for hospitals and first aid stations in securing the needed supply for transfusions for the wounded.

The funds will aid in securing donors for the blood plasma. Army and navy donation centers must be limited to territories near processing laboratories, and these laboratories can handle only a certain amount of blood extractions weekly. Blood must reach the laboratories within 24 hours after its withdrawal.

Approximately 2,500,000 donors are needed this year, requiring 50 thousand bleedings a week. In this area the army-navy center is located at Kansas City, Mo.

Draws Down Fine Monday Judge C. L. Graves heard a complaint filed against J. S. Spence, charging him with intoxication, being taken in by Officer Lancaster on Sunday evening. The court after hearing the evidence in the case assessed a fine of \$5 and costs that secured the release of the defendant.

Here from Weeping Water Attorney Paul Fouquet, of Weeping Water, was in the city today to look after some business matters.

Urges War Loan Drive Spurt

State Chairman W. Dale Clark urged all War Finance County organizations and committeemen to stage a real spurt in the last two days of the Third War Loan Drive.

The drive, officially scheduled to end on October 2, has not been a complete success so far, but it is thought that even in two days much can be accomplished. The slogan for the last week of the drive has been officially announced as "Pave the Road to Rome with War Bonds."

In this connection, Mr. Clark said: "In the closing days of this drive, we are asking you to pave the way with bonds for our soldier boys who are doing such a gallant job in Italy and in the Pacific. I believe that each and every Nebraskan should during the last two days of this greatest financial drive in history examine his financial conscience, so to speak. Let's all ask ourselves if during this drive we have really made any sacrifice to buy a bond. Very few people could answer that question in the affirmative, particularly in view of the fact that 69 per cent of the people voluntarily answered that question in the negative during a recent Gallup poll."

"I believe the time has come for us to buy bonds until it hurts. Bonds are the best and safest investment we can make. They will pay out in 10 years or at whatever time it says on the face of the bond. Our government has never in history repudiated one single penny of its debt. Bonds pay a good rate of interest and the Series "E", "F" and "G" bonds are redeemable on very short notices for exactly the amount in dollars and cents that it states on the face of the bond. The schedule of redemption values on our "E", "F" and "G" War Bonds are just as binding as the No. 5 on the five dollar bill. Once again I would urge Nebraskans to do everything they possibly can to buy their absolute limit in bonds before Saturday night, October 2."

Returned from Minnesota Mrs. Ray Smock and daughter, Patty, have just returned from Minnesota where they spent the past three weeks with Mr. and Mrs. Ray Knobbe and their three children.

The Knobbe family had been in Plattsmouth several days and on their return to Minnesota, Mrs. Smock and Patty accompanied them. Mrs. Knobbe is a sister of Mrs. Smock.

Entertains Fr. Pierce Miss Barbara Gering had as dinner guests on last Sunday Rev. George D. Pierce, U. S. army chaplain and former rector of St. Luke's church here, and her sister, Mrs. Henry Herold. Father Pierce celebrated Holy Communion and gave the sermon Sunday at St. Luke's church. A lovely dinner and an enjoyable visit was had.

Funeral of Clarence Moore Funeral services were held on Tuesday afternoon at the First Christian church for Clarence Moore, whose passing had brought such a deep sorrow to the community.

There was a large number of the old friends and neighbors present to pay their last tributes to his memory. Rev. Clifford Snyder, pastor of the church, had charge of the service and brought the message of comfort and hope to the bereaved family, as well as paying tribute to the departed.

Mrs. E. G. Ofe and Frank A. Cloidt gave two numbers during the service, "Beautiful Beckoning Hand" and "Going Down the Valley One by One, Mrs. O. C. Hudson serving as the accompanist.

The pallbearers were old friends and church associates, E. G. Ofe, Dewey Reed, Roy Stine, Frank Sheldon, Lester Thimman, Roy Carey. The interment was at the Oak Hill cemetery.

Defense Corporation to Increase Employment

Due to revisions in production schedules it is necessary that the Nebraska Ordnance plant at Mead increase its personnel. Mr. R. A. Hand, local manager of the United States Employment Service, announced today.

Both men and women are needed to fill the openings, many of which require no previous experience as employees are fully trained by the Nebraska Defense Corporation, operators of the plant. Mr. Hand said that men are needed as material handlers, production operators and in other positions. Women are needed as production operators and janitresses.

Mr. Hand announced that the United States Employment Service office will interview and hire workers at 210 S. 18th St., Omaha. The required physical examination will also be given here so that applicants need not go to Mead before they start work. Transportation will be furnished from the point of hire to the plant first time new employees report for work.

Workers now engaged in essential agriculture or industrial employment at their highest skill will not be employed.

Working conditions at the plant are excellent, said Mr. Hand. Adequate housing is available in nearby towns and there are modern, comfortable dormitories on the plant area for both men and women. There are also cafeteria and recreational facilities at the plant. An Employee Transportation and Rationing Department operates constantly to assure satisfactory employee transportation.

Upholds New Law Failure of the legislature in passing LB-40, which requires persons applying for a marriage license to make affidavit that they are free from venereal disease, to specifically repeal section 42-102 of the statutes of 1929, is not fatal, in the opinion of Assistant Attorney General Comstock, given Tuesday to the state department of health. It had discovered a conflict between the new law and the old one. The latter absolutely forbids the marriage of persons so afflicted, while sections 1 and 5 of the new act contain exceptions to the requirement.

Section 1 permits marriage where the disease is found by a doctor not to be in a communicable stage, and section 5 permits the issuance of a license where it is shown that the female applicant is with child.

Mr. Comstock says that the supreme court has held that repeal of a statute by implication (that is without specific repeal) is not favored, and only where the two relating to the same subject are so repugnant to each other that both cannot be enforced will the last law supersede and repeal the old one by implication.

Mr. Comstock says that it is plain that these two laws are irreconcilably opposed or contradictory, since both cannot be enforced, it follows that the old law was repealed by implication, and its prohibition no longer exists.

They're Still Dying; You Keep on Buying War Bonds and Stamps

Now at Reno, Nevada

Word received here by friends from Pvt. James Holy, former city mail carrier, states that he is now stationed at Reno, Nevada. Pvt. Holy, however, is not at Reno to take advantage of the divorce laws, but on duty with his army outfit. He has had the opportunity of visiting in the city and plans to call on Dr. O. C. Hudson and Mr. and Mrs. Frank Godwin, former residents here.

Owaissa Camp Fire We met at the library September 27th. Mrs. Huffman was our teacher. She read us a story. Wilma Jean was there, too. We were going to cut out pictures and paste them in our scrapbook. We had our roll call and treasurer's report before the story.

Shirley Ann Meints, Scribe Mrs. Philip Keil and daughter, Mrs. Otto Wohlfarth, were in Omaha this week to visit friends and look after some shopping.

Files Foreclosure Suit In the office of the clerk of the district court today, an action was filed entitled the Village of Louisville a municipal corporation, vs. Harry E. Stevens, trustee, et al. The action is one in tax foreclosure and involves seventeen properties in the village of Louisville.
