

THE STAGE COACH has given place to the streamliner. The electric light has snuffed out the soft-beamed candle. Tinkling sleigh bells are drowned in the roar of motor horns. But who will say that Christmas has lost its charm? With Christmas at hand we renew our pledge of devotion to ideals of honest dealing, and express our appreciation of your friendship for us during 1943.

Come to CHURCH CHRISTMAS Day

ENJOY the richest fulfillment of Christmas by attending the church of your choice when Christmas morning breaks. Obtain freedom from the worries of the present . . . gain new hope for the future. Meditate in prayerful silence as the notes of the organ float from the chancel. Rejoice again in the glory of the Nativity; join your friends and neighbors in the singing of the old traditional Christmas carols.

Your church is the bulwark of democracy. There does freedom exist and flourish. By regular attendance at church we can better mobilize our spiritual forces against Axis denials of faith. Come to church Christmas morning and every Sunday thereafter. "For what is a man profited if he shall gain the whole world and lose his soul?" "God is our refuge and strength, a very present help in trouble." Let the word of God penetrate our consciousness anew, guide us in the dark and troublous days ahead.
