MURRAY CHRISTIAN CHURCH
J. W. Taenzler, Pastor

It is easy to break a dozen small twigs, one at a time. If you bind them together first into a bundle and then try to break them all at once you may even find it an impossibility. When only a few of the members attend church on a Sunday, the Devil finds it easy to discourage them and soon the church will be closed. When every member goes to church every Sunday, the Devil and all his helpers couldn't close the church.
