Weeping Water

Neil Munkres has been appointed as the local Red Cross drive chairman for Weeping Water. Our quota here is \$1,600.

The Lee Strattons have become the new owners of the Peter Miller place in the southeast part of town, and Mrs. Mildred Phillips has bought the John Ladine property.

Mrs. Oscar Domingo received a message Saturday, telling of the death of her father, George B. Hitchman, 82, at Saratoga, California. No particulars have been received as yet. Mr. Hitchman was a resident of Weeping Water for several years, and it is with the deepest regret that we learn of the passing of this good man.

Hugh Poore and wife, of Santa Monica, Cal., were week end visitors at the home of Hugh's aunt and uncle, Mr. and Mrs. Theodore Davis, last week. Hugh remained for a few days visit while Mrs. Poore went on to Minnesota to visit her mother who is ill. Thursday evening Mr. and Mrs. Victor Wallick entertained Mr. and Mrs. Eugene Day and Mr. Poore and their son, Charles, and daughter, Martha Jane, at dinner at Mac's Cafe dining room, after which the evening was spent at the Wallick home.

Saturday Evening Dinner club, twelve in number, enjoyed a dinner together at Mac's Cafe dining room, after which they all went to the home of Mr. and Mrs. Edwin G. Steckley for an evening of bridge.

Mrs. Reginald Jorgensen, wife of Lt. Reginald Jorgensen will remain here with her parents, for a while. Lt. Jorgensen returns to Eagle Pass, Tex., for six weeks further training.

Weeping Water school pupils enjoyed moving pictures of Nebraska scenes, colored films on "Animal Training" by Clyde Beatty, scenes from 1943 football games, and a comic, of course, Monday afternoon at the high school auditorium. These pictures were greatly enjoyed by the pupils. They were put on by Chenoweth, of Omaha, who has spent many years with his camera, catching the interesting features of Nebraska history.

Mrs. E. M. Ruby received word of the serious illness of Bernard Elrod, husband of the former Maxine Mickle. He was taken very ill with appendicitis a week ago during the heavy snow and the condition of the roads made it almost impossible to get from his home at Denton to a hospital at Lincoln. Neighbors had to assist in the opening of the roads. Fortunately they got him there on time and he is now on the road to recovery.

Mr. and Mrs. Dan Switzer and daughter, Helen, of Fremont, visited from Friday until Sunday at the home of Mrs. Switzer's parents, Mr. and Mrs. E. E. Day. When we asked them about their three sons, who are serving with the armed forces, they informed us that Leonard is now a lieutenant and is on duty somewhere in Italy; Ronald is a flight officer and is now at Lubbock Field, Texas; Richard is an ensign in the Navy Air Corps, he just recently graduated at Corpus Christi, Texas and is now at Lake City, Florida for operational training.

Rev. and Mrs. Frank Snow were dinner guests at the home of Mr. and Mrs. M. J. Breckenridge, Friday.

Lt. Roy Walters is now stationed at the Infantry Replacement Center at Camp Blanding, Florida.

Cpl. and Mrs. Durwood Cameron of Camp Bowie, Texas, are visiting Mrs. Durwood's parents, Mr. and Mrs. Knud Jensen.

Mr. and Mrs. Harvey Dettmer will move this spring to the farm which is being vacated, southwest of town, by Harvey Ahrens. They have been living on the Ray Norris farm this past year.

We have been watching, hoping to see an old-fashioned Bob Sled come into town while this snow is on the highways. What has become of all the sleds which used to be in this country, anyway? The children of this generation just don't know what fun they are missing. A big roomy Bob sled filled with straw and plenty of blankets, sleighbells on the horses, bright moonlight, and a jolly crowd going to the country for an oyster stew, or a taffy pull. These are happy memories.

The wolf hunt planned for northeast of town last Sunday had to be postponed on account of the extremely cold weather.

We have been told that there has been one sleighing party here this winter, and that was on Saturday evening, a week ago when the members of the Scrooby club went riding in an old fashioned horse drawn sleigh, and they had sleigh bells on the horses, too. Everyone reports a fine time. Returning home from the ride they were the guests of Rev. and Mrs. John H. Pryor, at the Congregational church parsonage.

Weeping Water Business Men's club had three service men as their special guests at their luncheon last Wednesday. They were Lt. Reginald Jorgensen, Eugene Ward and Robert Dennis.

The Jolly Homemakers are an Extension club which always manages to enjoy the social part of their club as well as the study part of the day. Thursday afternoon they met at the home of Mrs. S. L. Brandt for their meeting on the "Use of Soy Beans," with Mrs. Willis Lorenson and Mrs. Henry Knaup as their leaders, and they felt that they received a great deal of information about the use of these new kind of beans, and that they were indeed good to eat. Officers were also elected for the coming year, as follows: President, Mrs. Russell Newham; Vice Pres., Mrs. Leonard Friesel; Sec.-Treas., Mrs. Hubert Cappen; Leader A., Mrs. S. L. Brandt; Leader B., Mrs. John Dill; Health Leader, Mrs. Walter Labring; Reading Leader, Mrs. Russell Boot; News Reporter, Mrs. Henry Friesel. Three visitors were present at the meeting, Mrs. John Mead, Mrs. Isaac Reed, and Mrs. Albert Tack. At the close of the program there was a delightful social hour, when Mrs. Russell Boot was honored with a shower of beautiful gifts.

Mrs. Arthur Wiles was a Lincoln visitor Friday.

Do Rour Best Extension club held their meeting Saturday at the home of Mrs. Paul Wolph, with Mrs. Ray Norris and Mrs. Harvey Dettmer, as acting leaders for the program on the use of soy beans.

Mr. and Mrs. Neil Munkres and Mr. and Mrs. Ed Lorenson went to Lincoln Sunday evening, the men to be present at a Father-Son banquet given by the Sigma Chi fraternity, and furnished by the Sigma Chi Mothers club. Jack Munkres, now a student at West Point, is a member, as is also Jack Lorenson.

Lt. and Mrs. Rex Gribble visited here Thursday and enjoyed seeing old friends again. Lt. Gribble has been located at Phoenix, Arizona, and is being transferred to Randolph Field, where he will be an instructor in the Air Corps. Thursday they were the guests of Mrs. J. F. Grow at a dinner. Other guests were Mr. and Mrs. Bert Phillipot.

Sunday Mr. and Mrs. Bert Phillipot, Mrs. J. F. Grow and son, Topper, visited at the home of Mr. and Mrs. J. S. Gribble, at Greenwood.

Friends of Lt. Edwin J. Steckley and his wife, will be interested to know that Lt. Steckley has been sent overseas, destination not known and that his wife, the former Betty Clark, of Lincoln, is in Lincoln with her mother, Mrs. Jasper Clark.

Mrs. Fred Kleper entertained the Thursday Afternoon Bridge club at her home Thursday afternoon, with eight guests present.

Wolves seem to be getting quite at home on some of the farms north-east of town. Thursday evening Clifford Cooper and his two sons, Clayton and Rolland went to the barn to attend to the evening chores, and found a wolf near the barn. Mr. Cooper took a shot at it, and it doubled back and ran toward him, then east. He set his two dogs on it, and they caught it about a half mile east of his house, and, of course, Mr. Cooper finished its death. Herman Sickmann and George Wiles decided that it was time to do something about the unusual number of rabbits near the Sickman home. In a short time they had killed nine in the grove near the Sickman home.

Good news has come from the bedside of Loth Stierling Hayes, and of Gordon Heuser, who are at Bryan Memorial hospital. Mr. Hayes hoped to return home yesterday.

Mrs. VanEvery reports that their son, Billie, has been transferred from Jefferson Barracks to Columbus, Ohio, where he is assigned to classes at Capital University. Billy is in the Air-Corps.

Feed Waste Mounts To 2,400,000 Tons Yearly

Purina Merchant Institutes Crusade To Plug Local Leaks

An estimated 2,400,000 tons of poultry feed were wasted last year on eggs which failed to hatch, on chicks and poulters which died, on growing pullets needed to replace hen mortality, and on non-laying hens, according to Dr. H. J. Sloan, head of the Poultry Department of Minnesota University.

To assist local farmers in conserving feed, the Purina Merchant of our community has volunteered his services to help stop feed waste at its source. The present protein feed shortage which is inconveniencing so many local producers could be almost entirely eliminated by a wiser use of the supplies at hand, he states.

Help Offered Free His offer of service includes culling of unprofitable birds, housing corrections, measures for improved sanitation such as weaning and de-lousing, suggestions on conservation of feed, and more efficient poultry management in general.

His services are offered at no charge, and to all local feed producers regardless of the feed used. Recommendations are included in a "Food for Victory" Action Sheet, and are limited to poultry practices which have the unqualified approval of both state and national agricultural authorities.

War Production Board calls for big drive to save WASTE PAPER

This is what Chairman Donald M. Nelson says about the paper shortage:

Millions of paperboard boxes containing food, ammunition and a thousand other items are being sent overseas to our fighting forces every week. Waste paper is one of the chief raw materials from which these containers are made. "It is being converted into the actual weapons of war... bomb bands, wing tips, parachute flares, shell protectors, medical kit covers, ammunition chests and blasting powder kegs."

25 WAR PLANTS CLOSED!

As we go to press, about 25 mills making war products out of paper have had to close down.

Are we going to let them stay closed? Or shall we open them again with a community drive to save waste paper... and keep right on saving it?

You know the answer! We MUST swing those 25 doors wide with the biggest ava-
