Reflections of a Woman Jurist

Since Cass county has joined the ranks of selecting women jurists, a pedestal heretofore reached and occupied only by the male taxpayers, it is surely opportune and proper that the public should be enlightened about the recent procedure in District Court, from a woman jurist's viewpoint, namely, one of the pioneers in jury making history of Cass county, Nebraska.

In the first place—"Why not?" Why not have the women as well as the men serve as jurors? In our already overcrowded busy lives it opened another door into a fuller understanding and wise solving of life's legal problems. The session was truly a novel, educational experience and we enjoyed every phase of it. It gives one quite a thrill now to be greeted on the street with, "Hello, Jurist."

We value our experience beyond price, and we feel it was a privilege as well as a duty, to do our bit, in any way possible, in these strenu-

ous days of manpower shortage. Truly, woman is coming into her own.

Laying all humor aside we are confident each one of us gave our most serious considerations, in our deliberations, to every angle of all the testimony presented.

You taxpayers need have no qualms about questioning our efficiency because we realized there was much at stake in the rendition of our verdicts. We conscientiously strove to confirm the belief that it was truly a Court of Justice. As individuals and as a whole we did our labor to fulfill our duties as jurists in a serious, fair, level-headed manner.

Long live the woman jurist.

Oratorical Contest Winner

Miss Betty Sedlak, junior in the Sacred Heart high school, won the annual American Legion Seventh District oratorical contest at the Sacred Heart school auditorium at Sedalia, Mo., Friday night.

As Pettis county winner, she competed with the winners from Howard, Lafayette, Sallie, Penton and Hickory counties.

Before the district contest began, S. J. Timmerhaus, district vice-commander of the American Legion and district oratorical chairman, presented Miss Sedlak with a bronze medal of honor of her achievement in the county contest held at the Fox theater several weeks ago. Later she will receive a silver medal for having also won the district contest.

Each contestant delivered a prepared oration and was later asked to give an extemporaneous talk on a subject presented by the judges.

The winner spoke on the subject, "Our Patriotic Rights and Duties." Her extemporaneous subject was "Some of Our Most Important Do-

mestic Problems in the United States".

Serving as judges Friday night were Miss Anna Sawford, instructor in speech and dramatics at Smith-Cotton high school, and Frank Hayes and Henry Salveter, Sedalia attorneys.

The next contest will be that of the zone at St. Joseph on the evening of March 7. The winners from the four zones will compete in the state contest under the supervision of the State Superintendent of Schools at Jefferson City in April.

Miss Sedlak, popular in all scholastic activities, is the daughter of Mr. and Mrs. Frank E. Sedlak, 2001 East Sixth street.
