BUY WAR BONDS

Let's Grow More Vegetable Crops For All Our Boys At War!

GROW MORE -

TOMATOES and SWEET CORN

- FOR VICTORY!

Marvin Jones, War Food Administrator, and other Governmental Agencies are calling on Canning Factory operators and farmers to grow and process all the food possible for the support of our Armed Forces and Lend-Lease distribution. There will be more than twice the number of men overseas in 1944 than in 1943. These men, together with supporting forces,

will require more canned food than has ever been processed in history. Mr. Farmer, it's up to you to support our fighting forces by growing more canning crops, These crops can only be processed where there are canning factories. With the combined efforts of you and the well equipped Norfolk Packing Co. factory, this area can do its part in furnishing a maximum of processed food.

Now ist us all get together and comply with the appeal of our Government to produce all the canned food possible for our fighting forces. Let's make our plans now. At your request, one of our fieldmen will call on you.

Please (prop us a sard or call telephone 88 (reverse the call if necessary), and tell us the acreage yo. will plant this spring.
