We regret to report that Elwood C. Gibberson, familiarly known to Weeping Water people as Al Gibberson, is very ill at his home in Lincoln. Although eighty-four years of age, Mr. Gibberson drove his car to Weeping Water on Decoration day. Mr. Gibberson has many friends in this community which was his former home.

Mr. and Mrs. Alva Marshall and son, Bobby, of Ft. Lupton, Colo., arrived here Monday and expect to spend a week with Mr. Marshall's mother, Mrs. Emmor Marshall and his brother, Frank Marshall and wife.

William Knaup, father of our townsman, Henry Knaup, had a rather serious accident, last Wednesday, while in the field cultivating corn. About six o'clock in the evening, while cultivating with horses, in a field at the other side of the farm his cultivator struck a rut and turned over. This frightened the horses causing them to run away, dragging Mr. Knaup about one hundred feet before he was free from the machine. The daughter, Anna Louise, saw the team running across the field and she and her mother hurried to his rescue. They found Mr. Knaup seriously injured. Dr. Liston was called and came immediately. He was found to have a broken neck. He is in Bryan Memorial hospital, where his wife has been with him during the past week. Reports are that he is getting along as well as possible.

Talk about work! Troy Wiles and two sons, James and Malvin, are farming nine hundred acres of land. They manage to keep three tractors going most of the time, in the field during corn cultivating time. They have been able to secure very little help.

The Dorcas society of the Christian church met Thursday at the

home of Mrs. Henry Knaup, with Mrs. S. H. Harmon as assistant hostess. Plans were made for holding an ice cream social some time early in August. Invited guests present were Mrs. M. L. DeCreame, Mrs. Walter Cole and Mrs. James Kivett. The grain elevator of E. E. Lorenson has been sold to Hart Bartlett and Sturdevant, of Kansas City. Possession was given last Saturday morning. W. F. McConnell, formerly of Fullerton, but more recently of Omaha, will have charge of the Weeping Water Elevator. The same firm bought the Marshall Elevator at Wabash several weeks ago. Mr. McConnell has been operating that and living in Weeping Water. A Mr. Smith will take charge of the Wabash elevator. He has bought the former L. R. Stanley home at Wabash.

For about fifty years the familiar face of Louie Lorenson has been seen on the streets of Weeping Water. He came to Weeping Water as a cigar maker, when cigars were hand rolled. He played in the Weeping Water band. That was his greatest pride. As he grew older he did odd jobs around town, earning a small pittance, which left him with little food and none of the necessities of life. For years he has lived over a carpenter shop in the down town district, and people who had known him throughout the years occasionally gave him food for small services done. More recently he has been receiving old age pension. Last week it occurred to people on Main street that Louie had not been seen for a couple of days. An investigation was made and he was found dead in his room. He was last seen Thursday evening and he was found Saturday at noon. No one could be found who knew his age, or whether he had any living relatives or not. He never talked about his past, nor his family. He was laid to rest in Oakwood cemetery, with funeral services at the grave Saturday evening at eight o'clock.

Mrs. M. L. DeCreame and daughter, Mary Ann, left Tuesday for Brookfield, Mo., for a two weeks visit with Mrs. DeCreame's parents. Mr. DeCreame will join them Saturday for a few days visit.

Mr. and Mrs. E. K. Norton have bought the George Spohn home, one block north of the Congregational church. They will have possession by the first of September.

Miss Nina Freeman was taken to St. Elizabeth's hospital Tuesday after having been taken quite ill the day before.

A telegram arrived Saturday which caused the hearts of Mr. and Mrs. Jake Renner to feel happier than they had felt for several months. Some time ago they received word that their son, Robert, was missing in action, in Italy. Saturday's message said that he is a prisoner of war in Bulgaria.

Miss Ella Bates has been holding a private sale of her household goods this past week, after which she expects to make her home with a niece at Alvo.

Billy Mutter spent Sunday with his parents, Mr. and Mrs. Murray Mutter. Billy is taking naval training at Perth.

Mr. and Mrs. Ray Parsell and their daughter Miss Lois, are getting nicely settled in their home on the farm recently purchased from Walter Little. They have been remodeling the kitchen, adding new cupboards and other necessary equipment, wiring the house for electric lights, and making it more modern in every way. This is one of the best built farm homes in this community. They found, when wiring, that the house was insulated with brick.

Charles Gibson is the proud grandfather to a ten pound grandson, born to his daughter, Mrs. Jack Hay, at St. Elizabeth hospital, Monday evening. Mrs. Gibson was in Lincoln with her daughter, who was formerly Miss LaVern Gibson. The father is with the army in France, and at present he is in an English hospital, recuperating from injuries received during the invasion.

Mrs. S. H. Harmon entertained the Cheer-A-Bit club at her home Saturday evening, with Mrs. William Jameson, Mrs. Henry Knaup as invited guests. The evening was spent in a social way, with conversation and games.

Mrs. Ralph Keckler and Mrs. Geotowle arrived here Saturday from California. Mrs. Keckler has spent several weeks on the western coast, and Mrs. Towle came to attend to business as he own several pieces of real estate in and near Weeping Water.

Mr. and Mrs. Ray Parsell and daughter, Miss Lois, visited at the Erwin Albert home in Louisville, Tuesday afternoon. Mrs. Albert is the daughter of Mr. and Mrs. Parsell.

Mrs. Ann White and her son, Bobby, same Saturday afternoon for a few days visit at the home of Mrs. White's mother, Mrs. Ike Reed. They remained until Tuesday when they returned to their home in Omaha.

Mrs. Clarence Bornemeier and son, Roland, of Compton, Calif., spent the week end at the home of Mr. and Mrs. Arthur Grockman. Mrs. Bornemeier was enroute to Mayo Brothers clinic at Rochester.

Larger sewer pipes are being laid on east Eldora avenue, in front of Miss Edith Clizbe's home, to carry off the water which comes in torrents down over the hill during our heavy rains. The small pipes which were put in when the paving was done were inadequate. The new pipes which connect with the storm sewer are twenty-four inches across. This will help to relieve the situation further west on Eldora avenue, but more of the same work will probably have to be done at the corner by the Christian Science church before the situation is wholly relieved.

Mrs. Fred Gorder spent two days

last week in Murdock visiting at her brother, Arthur Toole's home, while a niece was there from Detroit. Saturday she went again to Murdock and remained until Tuesday of this week.

Mrs. Hedvig Sorensen of Omaha is the guest of Mr. and Mrs. Herman Rauth this week.

Mr. and Mrs. John Rohrdanz went to Murdock, Sunday, to visit John Heil, who is at the home of his daughter, Mrs. Herman West. They found Mr. Heil improving slowly.

Three Weeping Water couples have wedding anniversaries a few days apart. The Harold Elliotts were married July 12, the Victor Wallicks July 15th, and the Owen Welches the 20th of July, so all three families enjoying a picnic supper together, Saturday evening at the Owen Welch home, on their lawn.

Miss Helen Gorder is expected to come Sunday to spend a two weeks vacation at the home of her mother, Mrs. Fred Gorder. Miss Gorder is city librarian at Grand Island.

Fifteen German prisoners arrived in Weeping Water Tuesday afternoon. They and their guards came by bus from Atlanta, Nebraska. Two officers are with them. These men will prepare the camp for the arrival of 135 more prisoners who will arrive Friday. They will be housed at the buildings formerly used by the CCC camp, and later a Conchie camp. The Cass Soil Conservation office is located on the grounds also.

Weeping Water Business Men's Luncheon club held their regular meeting Wednesday noon at the J and M Cafe. There was a general discussion about the Blue Cross Hospitalization plan, and Willard Yates was named as chairman of the committee in charge of this locality. Two hundred members are wanted in this community.

Sgt. and Mrs. Ralph Lane arrived here Tuesday morning from Homestead, Fla. Sgt. Lane is enroute to Hamilton Field, California and this is a delay enroute. Mrs. Lane is opening up their home and will remain here. Sgt. Lane is a member of the ground force of the Air Corps.

Mabel Gillespie, democratic candidate for congress and pioneer flood control legislator in Nebraska, Friday urged full compliance with the Pick plan in rebuilding dikes and levees ravaged by the recent floods. In a letter to all the county commissioners in her district and to all flood control officials Mrs. Gillespie wrote:

"Never before in the counties along the Missouri river has cooperation among the counties and with the army engineers been so essential as in flood control now. The Pick plan for flood control em-

braces every river county. It would seem wise at this time to confer with the engineers and obtain their approval in placing the dikes and levees in accordance with the specifications on the blue prints for the overall plan. In this way, the levees will be located where the engineers would place them, and thus insure the engineers' help in upkeep and rebuilding, besides giving us something concrete to take to congress to obtain emergency funds.

Across the river, the flood-stricken Iowa counties are meeting with Lt. Col. Delbert Freeman of the engineers to get his approval before beginning the reconstruction work along the river.

Such a method looks like a vast saving of federal and county money—which, after all, comes out of your pockets and mine."

**THE OLD JUDGE SAYS...**

"I don't blame the fellows overseas for gettin' all het up over it, Judge. For the likes of me I can't see what's all the hurry about holdin' these local prohibition elections while they're away."

"I agree with you, Steve. Time after time...in their letters, in articles, in polls taken to get the views of our fighting men... they have indicated in unmistakable terms that they don't want any action taken on

prohibition, either local or national, until they get back."

"Too bad there isn't a law or somethin' to be sure their wishes are carried out, Judge."

"There is in one state I know of, Steve. Just recently it passed a law prohibiting the calling of any prohibition election until a year after the peace is declared."

"That really makes sense to me, Judge."
