FLORAL ORDERS CARED FOR

AN APPRECIATION

I wish to express my appreciation and gratitude to the many citizens of Cass, Otoe and Sarpy Counties whose confidence in me aided Governor Griswold in appointing me on July 6, 1944, as District Judge in Cass, Otoe and Sarpy Counties, comprising the Second Judicial District, to succeed my friend of many years, the late Honorable Wm. A. Robertson.

During twenty-two years in the practice of law in this district, I have made the acquaintance of many fine families. I am working to continue to merit the confidence of the people in counties comprising this district.

I am a candidate by petition and my name will be on the non-political ballot at the general election to be held November 7th, next.

I thank the many people of the three counties who circulated the petitions and those electors who signed the petitions, comprising over 2,000 voters of the three counties, in order that my name could go on the non-political ballot.

I respectfully ask for your support.

THOMAS E. DUNBAR,
Judge of the District Court
