After dinner they adjourned to the house where an informal program about trees was enjoyed, with each member answering roll call with some information about trees. Special music was furnished by Miss Eileen Fitzpatrick, who sang two solos, accompanied by Mrs. Harold Harmon.

With about \$47 in their treasury as the result of their last paper drive, the Boy Scouts plan to have another paper drive soon. The money will be used to buy needed equipment for the organization. Meanwhile the work of getting the auditorium in the old high school building in fine condition for their headquarters is progressing. This work is being done by the Men's Luncheon club, with Henry Crozier heading the committee in charge of the work.

It was a happy day for the Weeping Water High school football team last Wednesday, when they defeated the Nebraska Reserves, 10 to 0. The game was played on a muddy field, with chilly weather keeping many fans at home. This happy ending of Wednesdays game gave our boys renewed courage and proved that hard work is already bringing results.

The sympathy of the entire community is extended to Mrs. L. R. Little, whose son, Earl Little, is reported to have died September 15, in Scotland. These boys who have gone from Weeping Water are OUR boys and their loss is a community loss. They represented US in this great battle being waged for our protection. They will always live in our memory as heroes of the Second World War.

Have you heard any of the women members of the extension clubs tell of the interesting things which they are learning to make for Christmas, this year? With the shortage of Christmas gifts on the market, this year, they are busily making their own gifts.
