Mr. and Mrs. George Wonder and Bill of Nehawka visited relatives and friends in Avoca Wednesday.

Mr. and Mrs. John Lingle, Mr. and Mrs. Louis Carsten and Mrs. Louis Allgaler, Sr., were in Lincoln Tuesday.

Melissa Jane Everett Terrell
Melissa Jane Everett Terrell was born June 22, 1861 near Nebraska City and passed away October 18, 1944, thus being 83 years, 3 months and 25 days of age. Her recent illness being a paralytic stroke suffered two months ago and was confined to a hospital in Omaha until her death. Mrs. Terrell was born of a pioneer family. John and Ann Everett, who were among the first settlers of eastern Nebraska. She was

the youngest of nine children, two brothers and two sisters dying in childhood, the others of the family were lifetime members of the near neighborhood of Union. Mrs. Terrell was among the last of the original pioneers of Cass county and in early childhood with her parents made a round trip by ox-train to Salt Lake City and return. The pioneering spirit of her family was evident as the three months trip required determination and courage to withstand the harshness of such ox-train and travel across the plains to Utah through trackless wastelands infested by Indians. Her early life was spent at her parents home in southeast Cass county and she loved the outdoor and the beauty of the newly developing country. Her love of flowers was one of the joys of her life. She was married in 1885 to Alva M. Stites of this vicinity and to this family was born four sons, Alva, George, Samuel and Walter, the latter dying in infancy. By great effort and determination the boys were reared and educated in the schools at Union. In 1898 she was married to James W. Taylor, who preceded her in death in 1921. In 1923 she married Edwin Terrell. At an early age she became a member of the Re-organized Church of Latter Day Saints and the teachings of Christ was her guide for life. She leaves to mourn her passing, her husband, three sons and their families, five grandchildren, three great-grandchildren, nephews and nieces, and a host of friendly neighbors. Funeral services were held at two o'clock Friday afternoon at the Baptist church in Union. Elder Carl T. Self of the Re-organized Church of Latter Day Saints of Omaha conducted the service. During the service Mrs. L. R. Mougey sang two of the

old hymns "Beautiful Garden" and "It Is Well With My Soul." Mrs. Earl Upton played the accompaniment. The pallbearers were nephews of the departed, Silas, John, Leslie and Carl Everett, John Ervin and Harry Gobelman. Burial was in the East Union cemetery.

GOOD LUCK CLUB

Twenty "Good Luck" ladies enjoyed the Extension lesson on the making of Christmas gifts at the home of Mrs. Will Zoz, October 19, 1944. The lesson was presented by our regular project leaders, Mrs. Gerald Smith and Mrs. Robert Stock.

Mrs. Smith had an attractive exhibit of jewelry gadgets, made of felt. When we despaired ever finding enough colored pieces of felt, she told us we might send to "Hand-crafters, Waupun, Wisconsin," and get a nice assortment of felt pieces for one dollar.

Each of us knew a child who would love "Humpty Dumpty," the stuffed toy Christmas suggestion and we were pleased to find the entire pattern in our circular No. 5-116.

There was some confusion after the lesson was presented as we all dashed for scissors and paper to cut off our favorite apron patterns.

Our next meeting will be held at the home of Mrs. Wm. Streich, Nov. 16, and our project leaders will assist in serving.

VISIT AT PAPILLION

The Meisinger sisters of this city were at Papillion on Sunday, October 22nd to assist in the celebrating of the birthday of their brother, W. E. Meisinger.

Mrs. John Davis, a close friend and neighbor of the Meisingers also observed a birthday anniversary and the two natal days were celebrated together.

All came with well filled baskets with lots of fried chicken and everything good to eat that might be desired.

The children of Mrs. Davis comprised Mr. and Mrs. John Glissman and daughter, Carroll, Mr. and Mrs. Will Zerolan, Mr. and Mrs. Walter Whittemass, Ted Davis.

Mrs. W. E. Meisinger as a surprise to the husband had the Plattsmouth Journal sent to him for the ensuing year as a birthday gift.

No Smoking, Please!

Watch that fat! When you see it smoking in the skillet, turn off the gas. Smoking indicates that fat is beginning to break down chemically, and will soon develop a disagreeable flavor so that it cannot be reused for cooking. If the worst happens, however, and the fat is ruined all is not lost. Deposit the discredited brown mass in your used fat container and turn it over to the meat dealer for ration points and cash. Because of its salvage value it can still work for the war if not for you.

IT'S NO CIRCUS!

They may look like daring young men on the flying trapeze. But they're electric linemen, fifty feet in the air, with no net underneath.

It's tough enough up there on a hot summer day. It's worse on a wet, black night—or when everything's slippery with sleet. But the job must be done. It's part of giving you good electric service.

Fortunately, there are men who have the courage and skill to do it. Just as there are other men who control complicated switchboards in lightning storms, or crawl in hot boilers to make repairs.

These folks know what to do because they've been doing it a long time. Men and women grow up in the electric light and power business. It takes years to become a power-plant engineer. Almost every other job is specialized and technical.

The value of this practical experience—and of sound business management—has been dramatically proved by war. In spite of shortages of many essentials, there is no shortage of electricity—and it is still sold at low pre-war prices!

• Hear Nelson Eddy every Wednesday evening in the brilliant new musical show—"The Electric Hour"—9:30 P.M., C.W.T., over Station KOIL.

DON'T WASTE ELECTRICITY JUST BECAUSE IT'S CHEAP AND ISN'T RATIONED!

LEGAL NOTICE OF MEASURE TO BE VOTED UPON NOVEMBER 7, 1944

CONSTITUTIONAL AMENDMENT Proposed By Initiative Petition

(Title)
AN AMENDMENT to Section 1, Article VIII, of the Constitution of Nebraska, so as to provide that all of the net proceeds derived from motor vehicle registration fees, motor vehicle license taxes, and all excise taxes levied upon gasoline and other motor vehicle fuels used in motor vehicles in the State of Nebraska shall be appropriated and used for the purpose of constructing, repairing and maintaining public highways within the State of Nebraska and for no other purpose whatsoever.

(Text)
That Section One (1) of Article Eight (8) of the Constitution of Nebraska be amended to read as follows:

"The necessary revenue of the state and its governmental subdivisions shall be raised by taxation in such manner as the legislature may direct; but taxes shall be levied by valuation uniformly and proportionately upon all tangible property and franchises, and taxes uniform as to class may be levied by valuation upon all other property. Taxes, other than property taxes, may be authorized by law. Existing revenue laws shall continue in effect until changed by the legislature.

"All of the net proceeds from motor vehicle registration fees and license taxes, gasoline and other motor fuel excise and license taxation, except the proceeds from taxes imposed on gasoline used in aircraft, after providing therefrom for (A) administration and statutory refunds; (B) payment of obligations incurred in the construction and reconstruction of public highways and bridges; shall be appropriated and used solely for construction, reconstruction, maintenance and repair of public highways and bridges, and shall not be diverted by transfer or otherwise, to any other purpose."

The above proposed measure to be voted upon at the General Election, November 7, 1944, is published in accordance with Section 202, Chapter 49, Compiled Statutes of 1929, State of Nebraska.

FRANK MARSH, Secretary of State.

VOTE FOR Paul E. Fauquet for COUNTY JUDGE

Judge Fauquet is now serving by appointment... He has shown his ability to fill the office capably and without fear or favor...

The Judge is well qualified by reason of his legal training and experience to hold this office.

Get Out And Vote NOVEMBER 7 Non-Political Ballot

OLD JUDGE SAYS...

"We can't argue with the Judge on that point, can we Mabel? It's not fair to penalize the many for the actions of the few."
"That, folks, is exactly what we would be doing in this country if we ever voted for prohibition again. Authorities who have made a careful study of the problem, report that only about 5% of those who drink abuse the privilege occasionally... 95% drink sensibly. Probably doesn't compare with the number of folks who overeat and do other things to excess. Prohibition certainly

isn't the answer. It's not that simple. We had nearly 14 years proof of that, didn't we?"
"The real answer is education and better control. In fact, the responsible members of the distilling industry are working constantly toward that end. They don't want anybody to abuse the use of their product any more than the three of us do."
"If everybody would take that sensible attitude, Judge, and cooperate as more and more are now doing, we'd be a lot better off a lot quicker."
