Mr. and Mrs. Clyde Jackson have just received a brief letter from their son, T-Sgt. Dale Jackson, a prisoner of war in Germany. The letter was written in September and has been a long time on the way to the home.

"Dear Mother and Dad:

"Been looking for a letter from you or Nellie, Eddie, (a fellow prisoner) got his first letter from home the other day, boy, he was sure glad to hear from them and now that he has gotten a letter, I am looking for a letter from home.

"Tell all of them back there my address so that when I get some mail I will get a lot of it.

"Well it is getting about time for Dad and the boys to get ready to go hunting. Tell Dad to get a few for me and when I get back we will make up for lost time.

"Well, I can't think of anything to write about so will close. Write soon.

Love, Dale
