## Purpose-

1. An act of adoration in brick and stone to our God and a testimony of our undaunted faith in Him.
2. In Thanksgiving for victory and peace.
3. In petition for strength and a heart to perpetuate a Christian peace.
4. In reparation for our sins and the sins of society which have so many times severed the bonds of peace.
5. An everlasting tribute to those, whose memory should be sacred and lasting.
