

Football Squads Battle It Out To Scoreless Tie

Plattsmouth and Ashland football teams battled it out to a scoreless tie here Friday night. Both squads played erratic ball, running hot in spurts and then falling short at the critical stage. Neither could muster a scoring punch.

Three times in as many quarters Ashland pushed its way to the edge of pay territory only to be penalized, forfeiting its chance to score. Ashland received the kickoff in the first quarter and got off to a flying start. They tore holes through the Plattsmouth line and had everything their own way in a series of power plays that carried them within spitting distance of the goal line. Then they received their first penalty of 15 yards for illegal use of the hands.

It happened almost the same way in the second and third quarters. They managed to get the ball almost to the end zone and then lost ground on a penalty.

In the final quarter Ashland threatened still another time to make a goal but this time the Plattsmouth line was able to stop them cold on the ten-yard line.

Both teams took to the air in the second half of the game trying desperately to pull a goal-making rabbit out of a hat. Each side completed one pass but didn't get anywhere with them.

In the final few minutes of play Bob Tritsch, Plattsmouth quarterback, got away three times around the ends picking up 15 to 25 yards at a time. Then in mid-field Plattsmouth tried to pass and their passer got caught with the ball far behind the line. That ruined their last hope.

Starting lineup for Plattsmouth: Cullen, left end; Howland, left tackle; Taenzler, left guard; Babbitt, center; Wood, captain, right guard; Kimball, right tackle; Thimman, right end; Tritsch, quarterback; White, left half; Niel, right half; Nelson, fullback.

Starting lineup for Ashland: Robinson, left end; Meese, left tackle; Graham, left guard; Laune, center; Proctor, right guard; Sandy, right tackle; Marcy, right end; Baer, quarterback; Welch, left half; Bundy, right half; Fletcher, fullback.
