Mayor Proclaims Saturday, Oct. 27 Navy Day Here

Mayor R. B. Hayes signed a special proclamation Tuesday morning proclaiming Saturday, October 27 as Navy Day.

October 27 was chosen because it marks the anniversary of the date in 1775 when the Continental Congress received the bill providing for the creation of an independent fleet. The proclamation reads as follows: "Whereas, the United States Navy has fought and won the battle for freedom in the waters of the aggressors, and whereas, the United States Navy, conjoined with its famed coordinated arm, the United States Marine Corps, has enabled our combined forces to plant the Stars and Stripes in every spot once held by the common enemy, and whereas, by national tradition the debt the people of the United States owe their Navy is annually emphasized to the setting aside of one day to acclaim that branch of the armed forces;

Therefore, I, R. B. Hayes, mayor of the city of Plattsmouth, Nebraska, hereby proclaim Saturday, October 27, 1945 as Navy Day and call upon all citizens of Plattsmouth to take part in observance of this day through the many channels open to them and to join in a salute to the United States Navy and its coordinated sea power the Marine Corps, Coast Guard, Naval Aviation and the Merchant Marine.

Whereunto, I have set my hand this 9th day of October, 1945. R. B. HAYES, Mayor City of Plattsmouth.

Herman Ludwig Gets Silver Star For Gallantry

(Special to The Daily Journal)

Mrs. Henry Ludwig of Avoca has received a notice that her son, Sgt. Herman H. Ludwig, has been posthumously awarded the silver star, third highest decoration. The message was signed by Brigadier General Robert H. Dunlop, acting adjutant general. He stated that the decoration would be sent to the commanding general of the 7th Service Command in Omaha, who in turn would select an officer to make the presentation.

The citation reads as follows: "For gallantry in action in North France, in the vicinity of Pont L'Abbe, France on June 12, 1944, when his platoon withdrew from untenable position, Sgt. Ludwig as acting squad leader, did, without regard for his personal safety, remain alone in an exposed position to cover its withdrawal by throwing hand grenades. After arrival at the new position, Sgt. Ludwig noticed one of his men missing. He returned in the face of enemy fire to the position just given up to find the man wounded and succeeded in bringing him back to the new position. Sgt. Ludwig's courage and loyalty to his men was in accordance with military tradition and of great inspirational value to his platoon."
