

How a flat wage increase will affect various industries in different ways is suggested by charts showing percentage of increase in straight-time pay. Flat wage rates will hit industries which have greatly increased wartime earnings, but it will be more difficult in industries where wages were increased, with resultant overtime pay, than in those in which work hours were cut or reduced.

## Victory Trains Will Visit Many Western Cities

CHICAGO, (AP)—Four "Victory Loan Trains" loaded with war exhibits, will be moved over thousands of miles of tracks of 21 western railroads to more than 100 midwestern and western cities in 16 states during the next month. C. E. Johnston, chairman of the Western Association of Railway Executives, announced recently.

The trains, which are a part of the railroad's contribution to the Victory Loan campaign, in addition to carrying the war equipment, also will have numerous exhibits of captured German and Japanese trophies. Combat veterans will travel with the trains.

Through cooperation of the railroads, the U. S. Treasury and the War and Navy Departments, Mr. Johnston explained, thousands of people will have opportunity to see equipment that made victory possible and to talk first-hand with men who used it in actual combat. Much of the equipment has never before been available for public exhibition.

Western states through which the trains will move are: Illinois, Missouri, Kansas, Colorado, Wyoming, Nebraska, Montana, Iowa, North and South Dakota, Minnesota, Wisconsin, Arkansas, Texas, Oklahoma and Louisiana.

The trains will not go into six far western states due to possible interference with movement of returning soldiers and sailors from Pacific war theaters.

## A Local Lady Spit Up Acid Liquids for Hours After Eating

For hours after every meal, Plattsmouth lady used to spit up a strong, acidulous liquid mixed with pieces of half-digested food. She says it was awful. At times she would nearly strangle. She had stomach bloating, daily headaches and constant irregular bowel action. Today, this lady eats her meals and enjoys them. And she says the change is due to taking ERB-HELP. No gas, bloating or spitting up after eating. She is also free of headaches now, and bowels are regular, thanks to this Remarkable New Compound.

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get
