Return from California

Mr. and Mrs. Joe McMaken and her father, A. R. Noble, returned Sunday evening from an automobile trip to California where they have spent more than a month visiting with relatives and friends. Their son, Ensign Joe Noble, is located at San Pedro awaiting overseas assignment.

They visited at San Francisco, Los Angeles, San Diego and took an ocean excursion trip from Balboa Beach. They saw Mr. and Mrs. Robert Wills, Mr. and Mrs. Wallie Reid and Mr. and Mrs. John Sanders and Miss Ann Sanders at San Pedro.

Ch their return trip they came through the gold mining country | Tuesday evening from her home of Arizona as well as through the south of Plattsmouth to the home Louisville celebrated their sixtieth unique city of Jerome, Ariz., and stopped at Akron, Colo., to visit with Mrs. Eva Rees. Good weather was encountered during their entire trip and they report that they enjoyed themselves very much.

BUILDERS NEEDED-

The problem of obtaining more houses in Plattsmouth remains at Atlanta, Ill., Oct. 18, 1867, the the top of the list of the town's immediate needs. Every day, families who want to live here, want ents to Nebraska in 1873 where to go into business here-are

There is no argument on the situation. No one denies that houses are needed and are in dein Elmwood, did carpenter work mand. There are two main questions. They are: Can anything be done about it? And, who's going to do it?

The answer to the first question is a straight "yes". But it will not be easy. It will take planning and organization. It will probably have to be done through government priorities received from the Federal Housing Administration. And it will have to be done soon. Plattsmouth missed the boat completely as far as obtaining movable units from the government is concerned. The town need not he left in the cold a second

time. And who is going to do it? It Cass County Commissioner will require an individual or group William Hart, of Louisville, met with capital, and an interest and recently with the Otoe county stake in the town's future.
