WEeping Water Garden Club Meets Friday

Mrs. J. M. Ranney was hostess Friday evening at her home in Weeping Water to members of the Garden club. Thirty members and guests were present for the covered dish dinner preceding the meeting. Her home was profusely decorated with spring flowers brought by the members.

Mrs. Ranney presided at the business meeting and Mrs. Henry Knapp acted as secretary in the absence of Miss Eileen Fitzpatrick. The program for the evening was under the direction of Mrs. L. P. Wolcott featuring the playlet, "Pa's Seed Flats," with Mr. and Mrs. Sigveid Jensen taking the parts of Mr. and Mrs. Blum, who were pa and ma, Robert Keckler in the part of Dick Fisher and Mrs. Henry Knapp in the part of Marjory Blum.

Mrs. W. L. Lenker, who was unable to be present, sent an Easter poem to be read and Mrs. Wolcott asked each member present to give their latest gardening problem. Mr. Jensen answered the questions.

Visitors at the meeting were Miss Laverne Shafer, home extension agent, and Mr. and Mrs. Turner McKinnon of Alvo. The hostess presented each one present with a violet plant.

The subject of the next meeting will be "Uprooting an Old Garden."

HOLY ROSARY ALTAR SOCIETY HAS LUNCHEON

Mrs. Ed Gradoville was the chairman in charge of the coffee luncheon held in the parlors of the Holy Rosary church Sunday afternoon and evening. She was assisted by Mrs. Ernest Janda. They used spring flowers as a decorative background for the affair.

A large crowd was in attendance at the luncheon held under the auspices of the Altar Society. These luncheons are held often and plans are being made for another to be held during the early summer months.

Undergoes Tonsilectomy

Mrs. Arthur Bruce underwent a tonsilectomy Monday morning in Murray. She expects to be able to come home later in the day.

Auracher Funeral Is Held in Omaha

Mrs. Gladys Catherine Auracher died early Friday, April 5, in an Omaha hospital. Her home was at 5155 Franklin Avenue, Omaha. She was born in Plattsouth and attended high school here.

Surviving are her husband, Emory B. Auracher, a daughter, Mrs. Robert James Kirkland, Wash.; a son, Emory B., jr., Omaha her mother Mrs. Lena Duke Omaha; her brother, Halsey H. Duke, Reno, Neb.; an aunt, Mrs. Chas. M. Edwards, Omaha, and an uncle Frank W. Levings Omaha. There are also two grandchildren.

Funeral services were held at the Burdett Chapel in Omaha Saturday afternoon. Burial will be made at Kirkland, Wash.

Texas University Students Form Air Corporation

AUSTIN, Tex. (AP)—One hundred student said faculty members of the University of Texas here are shareholders in a \$10,000 non-profit aviation corporation, the first of its kind in the history of American colleges.

The organization, the University of Texas Air Service, Inc., was developed through the efforts and planning of a university junior, Travis Williamson, former Liberator pilot from Cathage, Tex. Williamson, who said he was "homesick for the air," enlisted the aid of college officials and students to "sell" the idea to the student body.

Plans were to sell 100 shares to raise a working capital of \$10,000. On the second day of the membership drive 100 students and professors bought \$100 shares. Hundreds of students, waving hands filled with money, were turned away after the quota had been raised, Williamson said.

Most of the members are ex-servicemen. Forty of the 100 were former pilots in the various branches of service during the war. Ten of the members are girls who bought their way in on the first day of the drive; and seven professors hold membership shares.

The corporation plans to begin operations this month. Three Taylorcraft planes—two-seaters—have been purchased and are scheduled to arrive soon in Austin. The program will include air-taxi service, chartering of planes, weather information and instruction in flying. Former veteran pilots, drawn from the ranks of members, will serve as instructors and will receive \$2 an hour. Shareholders learning to fly will pay only \$6 an hour for solo time and \$8 an hour for dual time. Proceeds will go into the program to finance expansion.

Williamson is president of the company. First vice-president is Jack Ritchie of Dallas and secretary is Miss Helen Chapman of Austin. Ritchie and Williamson were roommates before the war at the College of Marshall, which at that time was a junior college. Miss Chapman attended the junior college with them.

Calendar

Third Party Is Discussed at Secret Meeting

CHICAGO, April 8. (AP)—The possibility of a split in democratic party ranks developed Monday with the announcement that progressive farm and labor leaders met secretly here during the week-end to discuss formation of a third party.

A spokesman for the group said representatives from 16 states met here to discuss "the possibilities for independent progressive political action" in the 1948 national election. The group was composed of 75 farm, labor and progressive leaders.

The meetings were held in secrecy, an announcement said, because many of these attending were here only as individuals and not representatives of their various organizations. The announcement disclosed that some were members of the political action committee.

A provisional national committee was established, headed temporarily by A. Philip Randolph, president of the brotherhood of sleeping car porters, (AFL). The meeting was called by Randolph, who was a leader in the campaign for establishment of the fair employment practices commission.

Other subjects discussed The national committee will meet in Detroit May 4 to discuss further plans.

Other subjects discussed at the conferences here were:
1. Whether the political action committee has become "the tail of a communist kite."
2. Russia's emergence as an "imperialist power."
3. The danger of military control of atomic energy.

Win-the-Peace Group Demands U. S. Share Atomic Energy Ideas

WASHINGTON (AP)—Delegates to the Win-the-Peace conference Monday sent President Truman their ideas on how to get along with Russia and set out to enlist congressional support for their program.

In a sweeping resolution on recommendations for American-Soviet relations they demanded that the United States "share" its scientific knowledge of atomic energy with Russia and quit using the atomic bomb as a "threat."

Sour Milk Easily Made From Sweet

WASHINGTON, (AP)—What do you do if the recipe calls for sour milk and there just isn't any available?

The Agriculture Department's bureau of home economics offered this suggestion to housewives in such a predicament:

Use sweet milk, adding one tablespoon of lemon juice or vinegar for each cup. Stir and let stand for about half an hour.

The result, the bureau said, is a "good" substitute for sour milk.

poorly informed, because less than 24 hours after he made the statement, the Soviet-Iranian agreement on troops, oil and Azerbaijan was announced.

The least Byrnes could be expected to insist upon would be a reply from both the Russians and Iranians. He has received so much world wide praise for his stand on the Iranian case, that it would be extremely embarrassing for him to reverse his position and, in effect, admit he was wrong.

Strike Continues
WASHINGTON, (AP)—The strike of 30,000 International Harvester company workers Saturday continued for the 76th day as company and union representatives adjourned after nearly 26 hours of continuous negotiations without signing a new contract.
