"God" is the subject of the Lesson-Sermon which will be read in Christian Science churches throughout the world on Sunday, January 5, 1947.
The Golden Text is: "Hear, O Israel: The Lord our God is one Lord" (Deuteronomy 6:4). Other Bible citations include, "Have we

not all one father? Hath not one God created us?" (Mal. 1:10).
The Lesson-Sermon also includes the following passage from the Christian Science text book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "When we realize that there is one Mind, the divine law of loving our neighbor as ourselves is unfolded; whereas a belief in many ruling minds hinders man's normal drift towards the one Mind, one God, and leads human thought into opposite channels where selfishness reigns" (p. 205).
