Motion Picture Tells Program To Return War Dead

KANSAS CITY, MO. MARCH 8.—A motion picture which explains the program for return and final burial of World War II dead, and at the same time shows the manner in which a family may arrive at a decision respecting the disposition of remains, has been made by the War Department, and copies of the film are available for exhibition before groups which would be interested in the program. Colonel Michael A. Quinn, Com-

Avoca

Mrs. Henry Maseman Mrs. Henry Maseman, reporter A new electric clock and score board has been installed in the school house. The lunch room at the school has a new electric stove and a refrigerator. Sickness has been playing tag with several of the teachers the past week. Mrs. Geo. Ludwig is seriously sick at Bryan hospital. Mr. and Mrs. Norton Johnson have returned from Portland, Ore., and will be at home west of Avoca. The anniversary club went to the home of Mr. and Mrs. Elmer Hallstrom to help them celebrate their 27th anniversary.

Here Are Tips On Avoiding Of Colds Mrs. Clara Rugha was invited to the home of her sister last week and while there several ladies surprised her on her birthday. Rev. G. Bergstrasser will be the speaker at the Lenten service on March 7. Elmer Hallstrom and Walter Stubbendieck were Plattsmouth visitors Monday. Robert Tefft returned from Bryan hospital last week where he was confined with a gland infection. Francis Ruse spent several days at the Wm. Hanson home near Elmwood while they were at the hospital with their daughter. Stanley Mapel flew in from Florida but due to the soft landing field at Steckleys he returned to Florida. Young children, elderly people and invalids who suffer most from the effects of a cold should certainly be protected from those who have colds. Children with colds should be kept home from schools, and if rest and light food do not help the cold to disappear shortly, then the family physician should be called. This may not be a cold but even more serious, as most of the communicable diseases start with some of the symptoms of a cold. What can we do to avoid colds that cause more loss of time from industry and schools than all the other diseases combined? Have your own cup and glass at home and elsewhere; dress for the weather; eat a balanced diet; get plenty of rest; keep away from persons with colds. Colds are costly. Prevent them if possible. We expect to be sprayed by careless coughers and sneezers.

How you can help YOUR ARMY DO ITS PART FOR PEACE

A MESSAGE FROM THE SECRETARY OF WAR

WITH the President's proposal for the discontinuance of Selective Service on March 31, America will rely on voluntary enlistments for the maintenance of the Regular Army at authorized strength. In view of world conditions today, this is a step of the gravest importance to every American citizen. Never before in history has any nation raised and maintained a million-man army by the volunteer system alone. Our ideals, our belief in individual freedom, our safety, our duty to promote world peace—are bound up in this decision. This is your Army, and voluntary enlistment is your choice. It must not fail. With your help it will not fail. The Army must continue to provide adequate occupation forces overseas, to supply these forces, and to help in keeping America strong and secure. Your help and understanding can do much to encourage a steady flow of 3-year voluntary enlistments, necessary to sound training and the efficient performance of the Army's task. When you discuss this subject with your sons, brothers, husbands or friends who may be considering an Army career, bear in mind the advantages offered by a 3-year enlistment. Among them are the choice of branch of service and of overseas theater where openings exist, and the opportunity for training in valuable skills at Army schools. It is a high tribute to the loyalty and spirit of the

American soldier that two out of every three men in the present Army are veterans—men who have known the hardships of war and have chosen to continue their service. A job in the new Regular Army is a good job—a job that compares favorably with the average in industry, and has more opportunities for promotion than most. You can help by giving your respect and support to the man who enlists voluntarily—to do his part in carrying out your country's world-wide obligations to build a peace that will endure.

A GOOD JOB FOR YOU U. S. Army CHOOSE THIS FINE PROFESSION NOW!

RLP Secretary of War
