HAVE COOL DAYTIME SLEEP

. . . in houses that are insulated with Barrett ROCK WOOL

ROCK WOOL is literally a huge protective blanket that shuts out much of the broiling heat of the sun all day-keeps the night's coolness within your house during the day . . . and needless to say, in winter it keeps heat from seeping out through walls, ceilings and roof.

You'll be glad to know how easy it is to have your home insulated with Barrett ROCK WOOL, and how it will in a few short years pay for itself in fuel sav-
