WEeping WATER (Special)—Weeping Water Woman's club closed their activities of the year with a tea at the home of Mrs. E. E. Lorenzen Tuesday afternoon. Mrs. Ralph Keckled, Mrs. Mogens Johnson and Mrs. Stanley Wood were hostesses. New officers were installed for the coming year. Mrs. H. A. Harmon talked on "Music in the Home and the Community." Miss Rossie Girard had as her subject "The Influence of Music in the Post-war World."

WEeping WATER (Special)—Reports from the district qualifying meet at Doane college last weekend were very pleasing to the local sport enthusiasts. Wendell Cole collected blue ribbons in the high hurdles, the 440-yard dash, and high jump and anchored the relay for 26 points. Altogether Weeping Water finished with 64 points. T. R. Dappen is

coach, and has reason to feel proud of the boys and the fine showing they made.

Normal sheep during summer months have a body temperature averaging 104 degrees, says Successful Farming Magazine. To the

inexperienced grower, this is often mistaken for fever.
