The Golden Text is: "Through faith we understand that the worlds were framed by the word

of God, so that things which are seen were not made of things which do appear" (Hebrews 11:3). Other Bible citations include, "O Lord, how manifold are thy works! in wisdom hast thou made them all: the earth is full of thy riches" (Psalms 104:24).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause" (p. 207).
