

Our Churches

Christian Science Society
6th Street and Second Ave.

"Is the Universe, Including Man, Evolved by Atomic Force" is the subject of the lesson-sermon which will be read in Christian Science churches throughout the world on Sunday, June 22, 1947.

The Golden Text is: "Thou, Lord, in the beginning hast laid the foundation of the earth, and the heavens are the works of thine hands" (Hebrews 1:10). Other Bible citations include: "Lift up your eyes on high, and behold who hath created these things, that bringeth out their host by number; he calleth them all by names by the greatness of his might, for that he is strong in power; not one faileth" (Isaiah 40:26).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "God creates and governs the universe, including man. The universe is filled with spiritual ideas, which He evolves,

See Mutual Loan & Finance for that loan.

and they are obedient to the Mind that makes them." (p. 295).
