EDITH E. PURVIANCE, Plaintiff. No. 521. June 26; July 3, 10, 17.

While Elwood Miller was in the southwest part of town Saturday, his tractor caught fire, following an explosion.

Sunday morning there was a thumping of the city water pipes, while they were being drained of the muddy water and being refilled with clear water, the result of an alum treatment in the east reservoir lake. It took quite a bit of looking to make us believe that clear water was coming out of those pipes after what we had seen the week before. Rasmus Lauritzen, city water commissioner had been using alum in small quantities to clear water, so he began experimenting with larger quantities, until he was convinced that he had the solution to his problem of getting clear water for our town, so he used 1700 pounds in the east lake, causing the mud to settle, immediately. To counteract the acid, he has been using lime. Carl Receptor took a boat and carried large amounts of the alum out to the center of the lake and scooped it overboard, a little at a time, and the results came very fast, after which the filthy water was

drained out of the pipes and the reservoir was filled with clear water.

Weeping Water Boy Scout troop No. 220, received the rating of being the outstanding troop at their camp last week at Lincoln. Their rating was based on signaling, Scout's pace, nature, swimming, judging, commando course, fire building, wood chopping, first aid, conduct and camp inspection. The swimming relay team won first prize. They were James Ambler, Donald Gray, Rudy Stratton, and Richard Keckler. Their medley relay team also

won first place. They were James Ambler, Dale Gray, Donald Gray, Richard Keckler. They received blue ribbon rating on camp inspection for four days, and red on the fifth day.

Mrs. Frederick Lindgren and her two children left Thursday for her home in Chicago, after a month's visit with her parents, Mr. and Mrs. Frank Cook. A family reunion picnic was held
