Sixth Street and Second Avenue

"Mind" is the subject of the Lesson-Sermon which will be read in Christian Science Churches throughout the world on Sunday, August 24, 1947.
The Golden Text is: "Righteous art thou, O Lord, and upright are thy judgments. . . Give me understanding and I shall live" (Psalms 119:137). Other Bible citations include, "Known unto God are all his works from the beginning of the world" (Acts 15:18).
The Lesson-Sermon also includes the following passage from the Christian Science text-

book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "Few deny the hypothesis that intelligence, apart from man and matter governs the universe; and it is generally admitted that this intelligence is the eternal Mind or divine Principle, Love" (p. 270).

COLVIN HEYN STUDIO

Mrs. Chester Taylor returned where she had undergone an operation Tuesday from Clarkson hospital.

Just about two years ago, the war ended—remember? Everyone thought then that there would be plenty of materials and equipment of all kinds available immediately. That hasn't been the case with us. We haven't been able to obtain enough equipment to complete our expansion program, and we're still short. But in spite of this, we have installed more telephones than ever before in our history. We're proud of our record—and we're driving with all possible speed to keep up with the ever mounting demands for new service.
