"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in Christian Science Churches throughout the world on Sunday, November 9, 1947.

The Golden Text is: "Ye were sometimes darkness, but now are ye light in the Lord; walk as children of light" (Eph. 5:8). Other Bible citations include: "The night is far spent, the day is at hand; let us therefore cast off the works of darkness, and let us put on the armour of light" (Rom. 13:12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "The great truth in the Science of being, that the real man is, and ever shall be perfect, is incontrovertible; for if man is the image, reflection, of God, he is neither inverted nor sub-verted, but upright and God-like" (p. 200).
