NOW - make a date to OIL-PLATE!

Some things it's hard to make up your mind about. But not about changing dirty, worn-out summer oil for fresh, winter-grade Conoco Nth!
Free-flowing Conoco Nth Motor Oil (patented) includes an added ingredient which quickly fastens an extra film of lubricant to metal surfaces so closely that cylinder walls are actually OIL-PLATED!
This extra OIL-PLATING resists gravity... stays up, won't all drain down even overnight! That's how Nth Oil extra-protects you from metal-eating, combustion acids... from "dry-friction" starts... from carbon and sludge caused by wear!
For extra power, extra smoothness, extra engine performance, make a date to OIL-PLATE, today!
