Baby Beef and 4-H Projects

Otoe county agent A. H. DeLong says that it is rather surprising to find that most of the baby beef purchases in that county have been made and dairy club members are shaping up to an all time high. About 150 4-H club members have their livestock projects started.

Ernest Emshoff, who leads a club near Avoca, has each of his club members carrying two Holstein calves and one lamb as club projects. The youngsters will make their selections from the Emshoff herd. DeLong figures the Avoca club leader will be able to help out his club members with available material because twin calves have been the order of the day on his farm.

Returns From Insurance Meet

Mr. and Mrs. Edgar S. Westcott of Lincoln were in the city on Sunday, to visit at the home of Mr. and Mrs. E. H. Westcott, parents of Mr. Westcott.

They have just returned home from a trip to the east where Mr. Westcott has been attending an insurance convention at Quebec. The meeting brought together a large representation of insurance men in the United States and Canada to discuss the work in their various territories.

Mr. Westcott has for the past few years been connected with the Bakers Life insurance company of Nebraska.

The family enjoyed very much the trip in the east and the many places of interest in the Quebec territory, one of the charming spots in the Dominion.

Finds Interest In State Meet

M. E. Brown of the Brown Floral Co., of this city, was among the Nebraska florists attending the meeting of the Nebraska Florists, in Lincoln the past week.

The meeting was very largely attended, there being in the neighborhood of 250 to 300 of the florists, from all parts of the state in attendance.

There were ten designers from Kansas City, Denver and other of the larger cities present to conduct a designing school. Here the florists were given the advantage of the course in preparing many fine original designs that will be used in their own establishments over the state.

Mr. Brown feels that it was well worth while and from his experience he has gained much valuable information for use in his local plant.

Returns From Trip to South
