NOTICE OF HEARING
 Estate of William A. Farmer, Deceased.
 In The County Court of Cass County, Nebraska

The State of Nebraska: To all persons interested in said estate, creditors and heirs take notice, that Harry T. Farmer has filed his petition alleging that William A. Farmer died intestate on or about October 21st, 1930 being a resident and inhabitant of Cass County, Nebraska and died seized of the following described real estate, to-wit:

the West Half of the Northwest Quarter (W½ NW¼) and the West Half of the East Half of the Northwest Quarter (W½ E½ NW¼) in Section 30, Township 12, Range 10, East of the 6th P.M.; also described as the West 103.55 acres of the Northwest Quarter of Section 30, Township 12, Range 10, East of the 6th P.M. in Cass County, Nebraska.

leaving as his sole and only heirs at law the following named persons to-wit:

Jennie S. Farmer, his widow, and Walter C. Farmer and Harry T. Farmer, sons.
 That no application for administration has been made, and the estate of said decedent has not been administered, in the State of Nebraska.

That the interest of the petitioner in the above real estate is a son and heir at law of the said William A. Farmer, deceased, and praying for a de-

termination of the time of the death of said William A. Farmer and of his heirs, the degree of kinship and the right of descent of the real property belonging to the said deceased, in the State of Nebraska.

It is ordered that same stand for hearing on the 5th day of March, 1948 before the County Court of Cass County in the Court House at Plattsmouth, Nebraska, at the hour of 10:00 o'clock A. M.

Dated at Plattsmouth, Nebraska, this 10th day of February A. D. 1948.
 PAUL E. FAUQUET,
 County Judge.
 No. 664—Feb. 12, 19, 26, 1948.

Coal bin should be filled today? MUTUAL FINANCE can help you pay?

The Nebraska State Rural School Boards association, Thursday, at Norfolk, approved a blanket tax plan to reduce school taxes in many rural districts and make those without schools to pay a share in the cost of education.

The plan, presented by Association President Alfred V. Gabelman of Madison, also is offered to prevent introduction of a new re-districting bill in the next legislature. This plan is to be offered to the legislature.

Gabelman's proposal calls for a four mill levy on all rural school districts in the state. All of the money would be kept within the county where it is raised. Districts with six or more pupils would get back the taxes raised by the levy to be used with additional tax money raised to operate their schools. Districts with less than six pupils would contract with neighboring districts for instruction on a cost-per-pupil basis.

Under the plan schools with less than six pupils who wished to have their own schools would not be eligible to taxes raised by the four mill levy but would get back taxes raised by the levy to be used with additional tax money raised to operate their schools.

Gabelman told the association Nebraska now has 208 rural districts without schools and in 1945 there were 947 with five pupils or less.

The association also adopted a resolution favoring an eight cent mile allowance for county superintendents travel, and another permitting schools to adjust their curricula to meet student needs.

Art Ulrich of Hoskins, vice-president; and Theodore Witt of Pender, secretary-treasurer, were re-elected. Gabelman and Willard

Sheriff Office to Give Warnings
 The Nebraska Safety Patrol and the local sheriff's office will begin issuing warning tickets to motorists found driving on their 1947 license plates after the 15th of this month. The deadline for purchasing of the 1948 plates was February 1, 1948, but due to the fact that larger counties were unable to issue plates that fast this year enforcement was held off. The biggest majority of the Cass County car operators have already purchased their 1948 plates. It has been reported to the sheriff's office that some persons living along the Cass-Otoe line but still in Cass County have purchased their license plates in Otoe County this year. Vehicles must display both rear and front plates—it was found that some people are operating two different vehicles on one set of plates.

Driver's license tests are held in the Cass County court house on the 2nd and 4th Saturday of each month. The next test is this coming Saturday, which is February 14, 1948.

Art Ulrich of Hoskins, vice-president; and Theodore Witt of Pender, secretary-treasurer, were re-elected. Gabelman and Willard

Burney of Hartington, treasurer, have another year to serve.

Local Town Team To Enter Tourney
 Groups comprising town teams in this section of the state are greatly interested in the proposed town basketball tournament that is to be held February 17-18-20-21 and 24, at Nebraska City under the sponsorship of the Junior Chamber of Commerce.

Participating will be at least five of the six city league teams—Omaha Cold Storage, Vigen, Legion, Otoe Foods, and National Guard, with the Riverton (Iowa) team expected to enter the lists. Definitely to enter the list of teams are those of Plattsmouth, Weeping Water and Douglas town teams. The committee in charge is awaiting final word from teams at Avoca, Syracuse and Eagle, as to their desires of getting into the tourney.

The prizes are \$75, \$50, and \$10 for the tournament. The entrance fee has been set at \$10 that Plattsmouth with the Nebraska City teams has turned over to the committee.

Miss Neary Now At Hospital
 Miss Celia Neary, who has been making her home for the past year with Mrs. Erna Lapsu, was taken ill the first part of the week and it was necessary to have her removed to the Methodist hospital at Omaha for treatment. It was thought that the attack might have been caused by a heart illness but this has cleared up and it is hoped that she may soon be able to return to this city.

Recover Stolen Car in Mississippi
 The FBI notified Sheriff Solomon Tuesday that Robert W. Hirt's 1947 Ford which was stolen in Grand Island on January 27, 1948 had been recovered at Tupelo, Mississippi, by the Mississippi State Highway Patrol. On January 27 Hirt parked his car in front of the hotel in Grand Island with all doors locked and keys removed and the next morning he discovered it missing. Apparently the person or persons who stole the car had to break out a window, knock off the steering lock, and re-wire the car before they could operate it. The car was believed stolen by three young men who were in Grand Island that time selling magazines.

Mrs. Stanley Lepert was taken to the hospital Thursday afternoon, where she underwent surgery.

E. P. Stewart and son, Don, were in Omaha Wednesday, where they were called on some business affairs. Don, who is home from the west coast, is having his first touch of winter weather in several years.

Roscoe Hill Chicks!

Bred for Highest Production of Meat and Eggs
 Choose from Three Quality Matings!

HILL'S EGG-BRED MATING
 These are the finest chicks we produce. Our Leghorns and White Rocks flocks from this mating are headed by males from pedigree and R. O. P. bloodlines from some of the outstanding strains in this country. Many of the females are from these same bloodlines and all of the females are especially selected for the fine characteristics of their respective breed. Chicks from this mating, therefore, bring you very high egg laying ability, backed by established and proven trapnest, progeny-tested breeding on some of the best known breeding farms in this country and Canada. They are extra quality chicks, from which you can expect extra fine results. They are the cheapest chicks in the long run.

HILL'S SPECIAL MATING
 This special Mating is the one that, to a large degree, has established the Hill reputation for quality. Until we established our Egg-Bred Mating, this was our top quality grade. It consists of highly selected flocks most of which are based on chicks from our Egg-Mating. Chicks from this mating, therefore, carry a goodly percentage of pedigree blood lines and are proving to be very profitable for the large percentage of our customers who choose this mating.

HILL'S UTILITY MATING
 Though this mating we are able to meet competitive chick prices with a better than average chick. All breeders are very carefully selected for size, vigor and production characteristics. Chicks from this mating have proved to be surprisingly good producers.
