You say Used Fats are still needed?

You bet they are, Mrs. Housewife. We wish we could whisper over your shoulder every time you cook . . . to scrape that pan, skim that stew, melt down those meat trimmings . . . every trick you know, to get more fat. That's how serious this world-wide shortage of fats and oils is, according to government reports.

Yes!

And You Get Paid For Them!

Used fats are the only kitchen "leftover" you can turn into cash . . . and cash is mighty handy these days of stiff food prices. So don't throw out even a few drops of used fats. Every bit, even what's left after you've reused your fats, is worth saving . . . to help your country, and to help you!
