Pallbearers were old friends from Union, Ray Dye, Lee Farris, Lav Pell, John Hoback, Henry and Ray Becker. Interment was at East Union cemetery with the Hobson Funeral Home in charge.

4-H EVENTS!

BLUE RIBBON BABY BEEF CLUB

The last meeting was held June 22, 1948 at the home of Donnie Born. Sixteen members and five visitors were present. The leader, Ralph Hild was absent so the assistant leader, Pete Halmes, had charge of the meeting. For roll call, each member was to name a part of the calf and tell where it is.

Our Safety Committee, Joy Hild and Tommy Livingston, gave us a test on Safety.

We then read and discussed our lesson which was on diseases and parasites. The leader asked us some questions orally. After the meeting the members sang a few songs and played some games.

At the close of the meeting delicious refreshments were served by Mrs. Donald Born, Mrs. John Rummel, and Mrs. Floyd Becker.

The next meeting which we are going to judge will be July 18 1948 at the home of LeRoy, Herbert and Betty Hild.—Dorothy Hild, news reporter.

Marines Seeking Young Men Recruits

An opportunity for young men of the Plattsmouth area to join the U. S. Marine Corps is being offered this week in the visit to the city of a Marine Information Team made up of Master Sergeant Robert D. Smith and Staff Sergeant Claude J. Bricker of the Omaha Marine Corps office.

The two non-commissioned officers will remain in Plattsmouth Wednesday, June 23 and plan similar visits to Plattsmouth each week. Their office, in the Post Office Building, will be open from 9 a. m. to 4 p. m.

The current visit will concentrate on securing young men, 17-29, for a "Marine Platoon" composed of young men of the Omaha-Plattsmouth area. The "Platoon" will go to San Diego, California, as a group, on the 25th of June for a 10-week training course, then members will return home for a 10-day leave.

The two Marine Sergeants pointed to the exceptional opportunities offered to the youths who join during the coming summer. In addition to a wide choice of duty stations, now available, there are over 60 service schools, located in scatter-

Ninety-four Will Meet Death On Highways

Ninety-four persons will meet death on Nebraska's streets and highways during the vacation months of May, June, July, August and September.

This prediction came today from the Nebraska State Safety Council. It is based on the accident experience of the past two summers and the present rate of reduction for the first four months of 1948.

During those months in 1946, 116 persons were killed in traffic accidents. In 1947, 153 persons lost their lives during the vacation months. At the present rate of reduction of 30 percent, this will mean that 94 persons are destined to pay the price of carelessness, lack of courtesy and impatience on our highways and streets.

As of June 3, with slightly over one month completed 31 fatalities are already recorded.

During 1947, of the 153 persons who lost their lives in Nebraska, 34 or 22 percent were foreign motorists. This will mean that during the coming summer at least 21 persons who die will have been guests in the state.

"We are calling upon the drivers in Nebraska to use extreme caution during the coming vacation months. Exercise patience, courtesy, good defensive driving tactics and you will stay out of trouble. Let's all cooperate to keep the 'wreck' out of our summer recreation." E. P. Tinker, Jr., Executive Director of the Council, stated in conclusion of his report.
