**Anywhere, U.S.A.
Only Seconds Away**

Your telephone covers more ground faster than any other means of general communication. A long distance telephone call will take you anywhere in mere seconds—and at surprisingly low rates. Long distance rates are especially low after 6 p.m. and on Sunday.

Remember—you are never farther away from anyone than the nearest telephone. Don't let distance separate you from loved ones when long distance telephone service is so convenient—and so inexpensive.
