

### Lt. Col. Larson Home From Army Training

Raymond J. Larson, Lt. Col. in the army reserve, has just returned home from Fort Knox, Ky., where he has been in attendance on the annual summer refresher course of the army. Col. Larson spent the first week of the course in orientation of the divisional organization plans and later was assigned to the inspector general's section of the camp with busy days of study and activities. While at Fort Knox he had the pleasure of having a visit with Lt. Ronald Rebal, a member of the medical corps assigned to Ft.

Knox, enjoying a very nice visit and renewal of old acquaintanceship with each other. Lt. and Mrs. Rebal are residing at West Point, some ten miles from Ft. Knox on the Louisville highway, but hope to have suitable quarters in Fort Knox soon.

### Papillon Is Still Leading In DSC League

The Papillon team resolutely held onto the kingpin position in the Douglas-Sarpy-Cass baseball league on Sunday by turning back the Plattsmouth Eagles by the score of 16-5 on the Plattsmouth diamond.

The Papillon team massed their scores in the early part of the contest, the last inning rally of the Eagles failed to halt the determined attack of the Sarpy county team. Thimgan and Fox were the hurriers for the locals while Roman did the receiving.

Gretna threw a surprise into the league by their overturning Ralston by the score of 6 to 5 at Gretna. Wally Scheef pitched his teammates to the win with his usual old time skill. Delong and Jensen served as the battery for Ralston.

Millard was the winner over the Springfield team by the score of 5 to 3 in a good and interesting game with Millard making a last inning rally that brought home the money. Dahmke, and Wheeler did the hurrying for the winners while Vierrieger, the war horse of Springfield, went the route for his team.

Louisville was an easy victor over the Bellevue team by the score of 9 to 3. Welte and Lavine formed the battery for the Cass county team while Tietsworth and Greider did the hurrying for the Pioneers from Bellevue.

On Sunday, July 25th Louisville and Papillon will clash in what should be a good battle. Millard will take on Gretna. Plattsmouth will entertain Bellevue in this city and Springfield will meet Ralston to complete the days roundup in the league.

There is a strong desire on the part of many of the fans in Cass county to have Weeping Water included in the league, they have a good team and their inclusion would give Cass county three teams in the league. All of the towns are in easy driving distance of each other and no large expense is necessary in the transportation charges.

Mrs. Dorothy Simonich of Detroit, Michigan, came in Saturday for a visit with her sister, Mamie Gooding and her brothers, Harry and Carl and Mr. and Mrs. Ben H. Speck.

### Resistance to Meat Prices Reflected In Livestock Trade

The price recession in livestock, underway last week end, still held sway at Omaha Tuesday. Order buyer demand for cattle was narrow, reflecting curtailed beef processing by independent packers. A chilly attitude on the part of meat consumers was seen in the background.

Fed steers and beef cows fell 50c to \$1.50 for the week to date. Yearling and cutter cows were not forced into the full decline. Heavyweight steers presented a big target for buyer bearishness. Prime 1,546 pound weights at \$37 were feedlot mates of \$38.50 sellers last week. High quality 1,550 to 1,580 pounders were knocked down to \$36.25. Choice (but not top) light steers and mixed yearlings took Tuesday's best payment of \$38.

Bulk of the hogs stood 25 to 50c lower after two days of trading. Some lighter butchers, however, averaged close to steady. Tuesday's market was highly erratic. A California buyer paid top of \$29.60 and a few hit \$29.75. Good and choice butchers under 300 pounds bulk-ed at \$25 to \$25.50. Heavier weights sold upward from \$20. Fancy light sows scored up to \$24.50 and above; bulk sows \$20 at \$24 although bigweights down to \$19.

Spring lambs were hammered \$2 in two sessions. Current quotations are \$4 under the recent peak. Best natives and Weymings cashed at \$29.50 Tuesday. Ewes are 50c off at \$10.75 down. Idaho feeding lambs noted at \$26.

Good and choice steers sold at \$34 to \$37 and buyers secured a better kind than recently at \$31.50 to \$33.50. Tuesday's heifer high of \$35.50 was \$2.50 under last week's record. Grass beef cows bulked at \$19.75 to \$23.50; best around \$25.50; canners and cutters \$15.50 to \$18.50. Fleshy bulls, \$24.25 to \$25.25; mediums \$22.50 to \$23.50. Practical top on vealers topped to \$29. Real good feeder steers sold this week at \$30 to \$31, yearlings up to \$30. Stockers generally fell between \$23.50 and \$29. Yearling heifers worth up to \$27 to \$27.50. Heifer 177 pound stock calves at new high for the weight of \$33.

D. Philpot, 18 steers and heifers, wt. 958, \$38.50.  
Robert Schlichtmeier, 18 steers, wt. 1084, \$38.35.  
Robert Dean & Carl Orndorf, 2 steers, wt. 1035, \$38.25.  
Melvin Todd, 21 steers, wt. 1342, \$33.00.  
Treach & Meisinger, 21 steers, wt. 1157, \$38.85.  
E. E. Fitch, 23 hogs, wt. 251, \$27.50.  
Wm. Minford, 18 heifers, wt. 752, \$37.00.  
Boedeker & Cottingham, 27 heifers, wt. 911, \$39.00 (now all-time top).  
Karl Scharp, 16 sows, wt. 390, \$22.00.  
Leo Rikli, 21 hogs, wt. 241, \$29.25.  
Dale Philpot, 23 hogs, wt. 312, \$24.75.

### New Apartments Have Painting Job

The exterior of the newly remodeled apartment house on North 6th street, owned by T. H. Pullock, has been given a coating of paint as a part of the decorative plan for the building.

The building was formerly used as the exchange of the Lincoln Telephone and Telegraph Co., and since the telephone plant has been moved to the new building at 7th and Main Street, the structure has been entirely remodeled and being made ready for the new use. The structure is being painted in a tones of yellow that makes the two story building much more attractive and will be further decorated to make a fine addition to that part of the city.

The entrance to the building will be on the north side of the structure and eliminating the former entrance direct onto the sidewalk on 6th street.

HERE FROM CALIFORNIA
