Alamito Golden Guernsey

GRADE A

Protects great...

Your engine, too, needs extra protection from summer heat . . . And the best protection "under the sun" is to make a date to Oil-Plate with Conoco Nth Motor Oil today! A special, added ingredient in Nth Motor Oil (Patented) fastens an extra film of lubricant so closely to metal that your engine's working parts are actually OIL-PLATED! . . . This extra

OIL-PLATING stays up on cylinder walls . . . won't drain down, even overnight! That means extra-protection . . . from high running-heat . . . from metal-eating combustion acids . . . from power-checking sludge and carbon due to wear.

Wise motorists save wear, save money, save worry when they make a date for . . .

...an OIL-PLATE!
