"There's one BEST loan for SAFETY of farm ownership!"

And that's a Co-op Land Bank Loan. You never have to pay the full amount at one time. Payments are based on your farm's normal earning power. You can take 40 years to pay. But if you want to, you can pay just as fast as your farm income permits. No fees - no commissions. Low interest. AND you're doing business with a farmer-owned co-op that has an unequalled record for standing by farmers in time of need.

Hy-Line Chickens are Scarce

NOW IS THE TIME TO PLACE YOUR ORDER FOR HY-LINE CHICKS NEXT YEAR.

In 1947 we sold 35,000 Hy-Line Chicks in the state. This past season we sold 935,000 in the state. This year there will only be around 2,000,000 available for the whole state.

If you want to get in on bigger chicken profits now is the time to order your Hy-Line Chickens for next year

We have chicks right in this territory that started laying in four and a half months. You can ask any of the people that have Hy-Lines this year what they think of them. Most of the people who had Hy-Lines last year have reordered and increased their order. So do not expect to wait until next spring and get Hy-Line Chicks when you want them.
