

## 4-H EVENTS!

### CASS COUNTY CANNERS

Miss Eula Wintermote, Cass County Home Extension Agent, and Miss Pearl Schutz, her assistant, gave very worthwhile helps in judging to the Cass County Homemakers, and Modern Miss 4-H clubs at the home of Margaret Ann Knabe, Nehawka, Wednesday afternoon, July 28.

Classes of slips, dresses, dresser scarfs, pillow slips, menus, aprons and tomatoes were judged.

The Learning to Cook and So

and Sewer had help in spice cup cakes, cookies, dust cloths, holders and pin cushions.

Margaret Ann, citizenship chairman, led in the Pledge of Allegiance to the Flag and the 4-H Pledge. Miss Wintermote and Miss Schutz led in group singing. Plans were made for the Community Achievement at the Methodist Church Thursday afternoon, August 12. An exhibit of the work of all clubs will be judged by Miss Wintermote and demonstrations and a program will be given.

Following refreshments by Margaret Ann and her mother, pictures were taken to be used in Secretary Books and Records.

Rosemary Redden and Alberta Nixon attended 4-H Club Camp at Seward August 2, 3, 4. They report a fine time.

## Prizes on Radio Face Curb By the Commission

The federal communications commission on Friday made rulings on the get-rich-quick programs over the radio and this ruling will be of wide spread interest to almost every radio fan in this community, as well as in all parts of the country. The station licensing agency said disapprovingly that "an almost infamously large number" of these programs border on "illegal lotteries or gift enterprises".

So the commission announced a set of proposed new regulations aimed at curbing, if not eliminating, many of the programs currently offering fabulous cash, travel and merchandise gifts to lucky listeners.

In essence, the rules say there must be no more such giveaways based in any way "upon lot or chance." Nor can winners be required to (A) furnish any money or other thing of value (B) possess the sponsored product or (C) be or have been listening—or viewing—the program in question.

The commission didn't say when the new clamp-down will become effective. But it said it will listen to interested parties up to Sept. 10.

Privately, commission sources said the agency fears that the prize programs are throwing the national radio picture "out of focus," and leading the industry away from "the broad basic purposes of broadcasting."

These sources said there have been complaints from some top flight comedians and other entertainers that their gags or art are being lost to listeners hoping for complete housing, a house painting job or a free trip to Bermuda for two, all expenses paid.

Still privately, the commission left no doubt that it regards the task of getting the give-away programs off the air as no easy undertaking.

Actually, the springboard for FCC plunge into the \$100,000-a-week nationwide prize pool was a modest venture just across the Potomac river from commission headquarters here.

What the commission did was give its blessing to an examiner's report on a program broadcast by station WABL in nearby Arlington, Va., during most of last year.

Entitled "Dollars for Answers," the program consisted of the periodical reading of a question and the correct answer, followed immediately by a telephone call to a person selected at random from the telephone book.

### Moves Back From Missouri Farm

Mr. and Mrs. Frank Svoboda and family, who have been engaged in farming near Marysville, Missouri, have moved back to Plattsmouth and expect to make this their home for the present at least. They are located in the former A. F. Knoflbeck place on Maiden Lane until they secure a larger farm. One of the reasons for the return to Nebraska was the condition of the health of the aged father of Mr. Svoboda, who has been at the home of his daughter, Mrs. Louis Kostka in Omaha but who will be brought to this city later.

### REPORTS LOTS OF RAIN

Mr. and Mrs. J. L. Hild of west of Mynard, were in Plattsmouth Friday to look after some matters of business and calling on the relatives and friends. Mr. Hild reports the rain of the past week as very heavy in his locality and the fields as being very wet.

### Judge Dunbar to Attend RB Picnic

District Judge Thomas E. Dunbar will be one of the guests at the annual Rock Bluff picnic to be held on Sunday, August 15th and will deliver the main address of the occasion.

The committee in charge are making their plans for a very fine program that will please and entertain the group of the members and descendants of the pioneers of Cass county who gather each year in the district town-site of Rock Bluffs.

This pioneer settlement was one of the first along the Missouri river, and was a rival of Bellevue, Brownville and Nebraska City in the early days as to the gateway to the then unsettled west. The coming of the railroad and the decision of the Union Pacific to cross at Omaha and the Burlington at Plattsmouth blasted the hopes of the establishment of a large frontier community.

One of the real pioneers of Rock Bluffs is Judge C. L. Graves of this city who was brought there as a babe some eighty-three years ago.

## MARKET 1/3 MORE PORK FROM YOUR GRAIN

Balance... with **PURINA HOG CHOW**

### INSTEAD OF TANKAGE

Yes, this is a feedlot fact! For, as you know, it takes a good feeder to make 100 lbs. of pork with 1½ bu. of corn and 40 lbs. of tankage. But many farmers on the Purina Plan make 100 lbs. of pork with 5/8 bu. of corn, 50 lbs. of Hog Chow.

Figure it out: That's 36% (over 1/3) more pork than most feeders get with grain and tankage—and about twice as much as is possible with grain alone... feedlot proof that it pays to balance your grain with Hog Chow for more profitable results!

So, regardless of what grain you have, come in. Let us figure you an economical hog ration with Purina Hog Chow. WORM PIGS WITH PURINA PIGTAB GRANULES. It's easy and effective... just mix in the feed. Low cost, too!
