Butter-nut BREAD'S GOOD IDEAS

KITCHEN TRICK
TO ROAST MEAT so that it will be tender is a real problem these days. Adding tomatoes in any form—paste, soup, fresh or canned—will tenderize it quickly and also add delicious flavor.

HOUSEHOLD HINT
TO KEEP screws from pulling out from plaster walls, try this suggestion. Put screw in, then remove it and fill hole with steel wool, then insert screw again. Sounds complicated but it's an easy trick.

RECIPE
CRUMB COOKIES
1 c. chopped nuts 1/2 tsp. salt
1 c. bread crumbs 2 tsp. cinnamon
1 c. sweetened, cond. milk 1/2 tsp. vanilla

Mix all ingredients thoroughly. Drop by spoonfuls on greased baking sheet. Bake in moderate oven (350°) 10 minutes until golden brown.

SOMETHING BLUE
HONEYMOONERS and experienced housewives—both prefer the fresh loaf in the blue and white checked gingham wrapper—fine, flavorful Butter-nut Bread, tender as first love.

Tut, tut nothing but Butter-nut Bread
