Cat Adopts Skunks As Foster Family

Mrs. Roy Beines of this city has just returned from Blairtown, Mo., where she has been visiting at the home of Mr. and Mrs. Ernest Wilson and Mr. and Mrs. F. T. Wilson as well as with the Leroy Wilson family.

While at the Ernest Wilson cat had lost her kittens a few days previous to the finding of the two small skunks who had farm she had the interesting experience of seeing two small skunks that had been adopted by a cat belonging on the farm. The been orphaned. The cat at once took up with the skunks and soon was mothering and feeding them.

She was ill at first from washing the skunks but has gotten over this and the skunks now follow her over the place as tame as kittens. The skunks are being deodorized now and will be kept as pets.
