Stomach Distress Is Gone After Ten Years of Suffering

One man recently stated that for 10 years he felt like he had a brick in his stomach. This feeling was due to the lump of undigested food he always had inside of him. He was weak, worn out, headachy, swollen with gas and terribly constipated. Recently he started taking INNER-AID and says the feeling like a brick in his stomach disappeared the second day. Bowels are regular now, gas and headaches are gone and he feels like a new man.

INNER-AID is the new formula of 12 Juices from Nature's Plants. It has relieved many people who had never been really helped before by any medicine. Taken shortly before meals it mixes with your food, thus eliminating the poisons that foster stomach trouble. It will cleanse, enliven liver and remove old bile from the system. So don't go on suffering! Get INNER-AID. Sold by all drug stores.
