

Fucinaro-Galloway Wedding at Omaha

Miss Louise Catherine Fucinaro, daughter of Mr. and Mrs. Mike Fucinaro of Ralston, and Robert L. Galloway, son of Mr. and Mrs. W. A. Galloway, of Plattsmouth, were married Saturday.

The ceremony took place in the Holy Ghost church at Omaha. Donald Fucinaro, brother of the bride was best man. Conley Galloway, brother of the groom and Norman Perry of Plattsmouth, were ushers.

A gown of white slipper satin made with a sweetheart neckline and long sleeves pointed at the wrist was worn by the bride. A crown of seed pearls held her finger tip illusion veil, and she carried a bouquet of white gardenias and carnations.

Miss Mary Agnes Fucinaro

was maid of honor for her sister.

A dinner was held for the couples families at the bride's home, following the wedding.

Mr. and Mrs. Galloway will make their home in Omaha.

The groom is a former resident of this community where he was graduated from the Plattsmouth high school and later was in the armed services in the world war.

Neighbors Help Aid to Friend

The residents of Wintersteen hill gave a demonstration of true neighborly friendship, on last Sunday, when they gathered at the Walker Rhodes home and started in at once on the construction of a sidewalk around the Rhodes home. Mr. Rhodes has not been so well of late and the friends decided to complete the job for him and did a fine job.

The ladies and children had gathered at the home in the early afternoon and brought with them the makings of a delicious covered dish supper that was served in the early evening

Guests at Sudduth Home in This City

Mr. and Mrs. Ralph Guyer and sons, Ronald and Gail, of St. Louis, Mr. and Mrs. George Billingsley and son, Billy, of Nebraska, with Mrs. Clete Kelly and son, Mickey, of Creston, Iowa, were guests here at the home of Mr. and Mrs. Everett Sudduth. Mrs. Guyer and Mrs. Kelly are sisters, and Mr. Billingsley a brother of Mrs. Sudduth.

A shelf of new shoes at the Salvation Army's Men's Social Service Center, Brooklyn, N. Y., displays only one shoe in each size. These are shoes for handicapped people with one foot.

City Council Hears Estimates on New Paving

(continued from page 1)

tem, was present and sought information as to the status of the plans. City Attorney Lebens stated that at this time there was no definite information that could be given, that on November 22 H. H. Henningsen, city consulting engineer, would be here and a general outline of the plans that he had in mind for flood control would be discussed and there would probably be representatives of the office of Dr. George E. Condra, present for the meeting.

Mr. Henningsen presented the estimates on the recent paving work in the various districts and the amounts that are now due the National Construction company for their work, less that amount retained by the city until after the acceptance of the work. The estimates in the district showed the following amounts: district No. 82, \$3,986.80; district No. 87, \$534.40; district 89, \$2,017.60; district 90, \$1,588.12; district 91, \$2,747.04; district 94, \$1,030.32.

The councilmen then discussed a subject that is as old as the beautiful hills that surround Plattsmouth, that of a city dump. Councilmen for several decades have faced this matter, ever since the government prohibited the use of the Missouri river for dumping purposes. After the discussion, the matter was placed in the hands of Mayor A. B. Rogers, who named as his aid, Councilman V. T. Arn, Jr., they promising to try and secure some definite results that would give the citizens a place where debris, cans and other articles can be placed.

Rotarians Hear Story of the City Library

(continued from page 1)

3,380 borrowers. In the past year the library has circulated 34,225 volumes for school and home use, which is 7.1% per capita, Lincoln circulated 47%, Omaha 2.2%, while at Nebraska City the per capita is 3.7%.

The library also supplied the county but as the library is tax sustained it is necessary to charge a small fee, \$1 a year, to the outside points, which gives the patrons the privilege of taking four books at a time, no fine if the books are returned within a reasonable length of time, there are from forty to sixty of the rural patrons. School children are not charged for this service, they may take the books home or to school without charge.

For the past twenty-six years the library has supplied books to the Masonic Home and the Masonic Home Infirmary, while the Home has a library it is not sufficient to give them the books that they want, the library circulates from 150 to 200 books a month to the shut-ins. In attending a convention of Masonic Home superintendents, Mr. W. F. Evers, the superintendent of the Nebraska Home, mentioned this service and was surprised to find the Plattsmouth library was the only one in the United States performing this service.

Hunter Shows Real Speed After Pheasant

One of the hunting parties from this locality, out this week for the pheasant shooting, returns home with the story of the speed shown by one of the party in running down a wounded pheasant.

The party were shooting over the area from Laurel to Coleridge and having very good luck when a group of the pheasants were sighted and the group were cut into the field. Henry Hobscheidt, one of the hunters, wounded a pheasant that started to run through the corn field. Henry in pursuit and finally drew near enough to the bird to grab him by the tail. The pheasant continued on tailless with Henry still in pursuit, the capture was finally made a quarter of a mile further on. Henry forgot his gun in the race and was unable to get in another shot at the bird. Those in the party were George Martin and William Jorgensen of Union, Henry and John Hobscheidt of Murray and their father, John Hobscheidt of this city.

FEELING MUCH BETTER
Mrs. Hammond Holmes, of this city, who has been at Omaha recuperating from the effects of an illness and recent operation, has returned home to this city. Mrs. Holmes is now feeling much better and it is hoped will soon be able to resume her usual activities.
