Daughters of the American Revolution
The members of Fontenelle chapter of the Daughters of the American Revolution had a very pleasant meeting on Tuesday evening at the home of Miss Pearl Staats on Park hill.

Mollie C. Gobelman, regent, presided over the meeting and conducted a very interesting round table discussion on "Communism in the United States," this bringing out many interesting points in the expressions of the members.

The chapter will hold their Christmas meeting with Mrs. Zephia Seward and this year instead of the interchange of gifts they will pack a box of clothing for the Kate Duncan School at Grant Alabama, which school is maintained by the national D. A. R. society.

Lovely refreshments were served by the hostess.
