Board adjourned to meet on Tuesday, January 11, 1949.
Attest: GEO. R. SAYLES, County Clerk. No. 920—January 10, 1949.

Death of Frank McCarthy at Home in West
Old friends here will regret to learn of the death of Frank McCarthy, 78, a resident of Plattsmouth for a great many years, that occurred on December 29th at his home in Los Angeles on December 30th.
Mr. McCarthy spent his younger years here where with his family were early day settlers, later going to Denver where he was employed with the Santa Fe railroad for a number of years, being married in that city to Miss Anna Kahoutek who survives his passing.
The family resided in Plattsmouth until in 1923 when they returned to the west and after a short time at Denver moved to Los Angeles where they have since resided.
There is surviving his death the widow, two sons, William at home, George of the U. S. Veterans hospital at San Francisco; daughters, Mrs. Frances Burgess, Los Angeles, Mrs. Ruth Galland, Long Beach and Miss Margaret McCarthy, at home.
The deceased was an uncle of Mrs. William Hansell and Kenneth McCarthy of this city and Joe McCarthy of Lincoln. He was a brother-in-law of Timothy Kahoutek of this city.

Cass County People Marooned in Storm
A group of Cass county people had a very unpleasant experience with the recent blizzard in western Nebraska that they will long remember although they were fortunate enough to reach a town before they were blocked in by the heavy snows.
Mr. and Mrs. Herman Richter, Mrs. Frank Mrasek and son, Earl, of Murray, Mrs. Arthur Reed and Ernest Reed of near Louisville, were in the party that had been called to Midwest, Wyoming, by the death of Frank Frost, a nephew of Mr. Richter, Mrs. Reed and Mrs. Mrasek.
On their way homeward they struck the storm in Wyoming, but were able to battle their way through until they reached Ogallala, Nebraska, where they found the roads blocked and closed to traffic. They remained in Ogallala from Sunday until Tuesday when the roads were open and they were able to get on homeward. Fortunately they were able to secure good cabins and plenty of food and did not suffer as much as many others caught in the storm.

Mrs. Etta Gorder Caught in Storm
Mrs. Etta Gorder is home from a trip to the west coast, climaxed on her return home by being caught in the snow blockade at North Platte for several days.
Mrs. Gorder visited with her daughter, Miss Martha, teacher in the Pueblo, Colorado schools, and with the daughter took a short trip onto the Pacific coast, visiting with friends in and near the Los Angeles area for a few days and enjoying the sights in that section.
Mrs. Gorder also visited her son, Harlan Gorder at Alliance and Frederick at North Platte, where she had the opportunity of seeing a great deal of these interesting cities.
When reaching North Platte on the journey home, Mrs. Gorder ran into the blizzard that has been sweeping over the western part of Nebraska and was held storm bound for four days. The traffic was finally opened up and permitted Mrs. Gorder reaching home on Friday.

Cass County Boys Enjoy Outing
During the New Years holiday season a trio of Cass county boys took advantage of the occasion to enjoy a motor trip out into the state to visit with old friends and former associates. They spent the greater part of the outing at Eustice, Nebraska, and in visiting over that section of the state. The group comprised Ralph Hild, son of Mr. and Mrs. John L. Hild, a student at the University of Nebraska agricultural college, Lyie Schafer, son of Mr. and Mrs. Otto Schafer, and LeRoy Hild, son of Mr. and Mrs. Ernest Hild. The group had a fine time and fortunately escaped being stranded in the storm.

Depart for Florida to Spend the Winter
Elizabeth Hall, who has been here for the past week visiting with her brother, Major I. Hall, departed Saturday for Tampa, Florida, where she will spend the remainder of the winter. Miss Hall was called here by the death of her mother, the late Mrs. Grace Wiles Hall, remaining after the funeral.
Miss Hall will join her aunt, Mrs. Ursula Errett, who was unable to accompany the funeral party for Mrs. Hall when it came from Tampa to Plattsmouth. The ladies will return in the spring to their home at Grant, Neb.
It takes about two bushels of corn and 150 pounds of alfalfa hay to make a 60-pound feeder lamb into a finished 90-pound lamb.

Marion Schlieske to Washington School
Marion Schlieske, son of Mary May Troop, has been spending the holidays with his aunt and uncle, Mr. and Mrs. Alex Schlieske at Los Angeles, Cal.
Marion recently received a scholarship from Washington State University and will enter school there February 1st. Head football coach, Phil Sarboe, feels that "Schlieske's 228 pounds will be an asset to the Congars' line next fall."
Marion attended school at Plattsmouth and graduated from Wentworth Military Academy in 1947. Since then he has been attending school at Napa Junior College at Napa, Cal., where he has been studying criminology. He will continue his course at Washington State, which offers one of the finest courses in criminology.
During his stay at Napa, Marion received honors in football as well as being president of the freshman class.

Attends Forty Hours at Julian Church
Rt. Rev. Monsignor George Agius and Father John Kelley of the St. John's church of this city, departed this morning (Monday) for Julian, Nebraska, where they are to attend the forty hours devotion being held there this week.
The Julian parish is in charge of Father Edward Oszkowski, and taking part in the services at the church will be all of the priests of the Plattsmouth diocese of which Monsignor Agius is the dean.
On Tuesday Monsignor Agius and Father Kelley will be at Lincoln where they will attend the meeting of all of the deaneeries of the Lincoln diocese.

Former Resident to Have Operation
A. M. Peterson of Sedalia, Missouri, former Plattsmouth resident, is at the St. Catherine's hospital at Omaha where he will undergo a major operation on Tuesday morning. He has not been in the best of health for some time. Mr. Peterson is the father of Mrs. Elmer Stoehr and Mrs. Victor Meisinger of near this city as well as Mrs. Paul Bliss of Des Moines, Iowa, and Mrs. Tom Hamilton of Sedalia, Missouri. Mrs. Peterson is here from Sedalia and with the children will remain until after the operation.

Bierl Home Scene of Happy Family
The attractive farm home of Mr. and Mrs. Joseph Bierl, west of this city, was the scene of a very pleasant family gathering the past week when a number of their children were home. The occasion was the anniversary of the parents and was marked by a fine dinner. Those attending were: Mr. and Mrs. Frank Bierl and sons, Mr. and Mrs. Henry Vinduska and daughters, Mr. and Mrs. D. W. Harris and sons of St. Joseph, Missouri.

Fred Wehrbein Is Able to Be Around
Fred Wehrbein, one of the well known young farmers of this section of Cass county, who has been quite ill at his farm home west of Plattsmouth, is now able to be out and attending to his usual activities, altho still quite weak from the effects of the illness. He was taken with what seemed the flu and later developed threat of pneumonia that kept him bedfast for some time.

State Road Work in 1948 \$14,000,000
The state highway department in 1948 contracted for \$13,724,000 worth of road work it was reported Thursday by State Engineer Fred H. Klietsch. Klietsch said this is about double the amount that will be available annually in the future for construction based upon the state's present sources of income.
The 1948 figure is high he said, because it includes \$1,500,000 that was available from funds accumulated during the war years. This amount, he said, made it possible to match an equal amount of federal funds. The 1948 figure also includes \$5,000 of strictly federal aid funds and some federal aid funds for emergency flood relief.
The state engineer explained the state has already obligated \$1,000,000 of its anticipated 1949 income and a like amount of federal funds, leaving a 1949 potential total of about \$5,500,000. He said that because of increased costs this would curtail the department's construction for 1949.
During 1948 the department made these improvements:
Grading and drainage structures, 263 miles.
Concrete paving, 20 miles.
Bituminous surfacing, 2.70 miles.
Bituminous armor coat, 529 miles.
Gravel surfacing, 267 miles.
Detour construction, including gravel, 230 miles.
Detour construction, including bituminous surfacing, 11 miles.
River bank protection projects, 10 each.
Concrete payment repair projects, 1 each.
Bridge over 20-foot span, 62 each.
Railroad crossing separation, 1 each.
Guard rail projects, 3 each.
Klietsch said that in 1940 the per mile cost of bituminous surfacing was \$5,700 but it was \$24,200 in 1948. The cost per mile of bituminous armor coat was \$725 in 1940 against \$1,500 this year. Gravel costs in 1940 were \$1.02 per cubic yard against \$2.08 in 1948.
Tacoma, Washington, has the cheapest electric power of any city of comparable size in the United States.
