### Kennedy-Allbee Wedding Saturday

A wedding of a great deal of interest in this city, was that of Mrs. Nancy E. Kennedy, 58, of Thermopolis, Wyoming, and William P. Allbee, 65, of Glenwood, Iowa.

The wedding took place on last Saturday at Glenwood at the parsonage of the First Christian church, the marriage service was read by Rev. J. W. Taenzler, pastor of the church, a friend of the bride, a friend of the groom, and a friend of the bride's parents when they were all residents of Plattsburgh.

The wedding was witnessed by the bridegroom's daughter, Mrs. Darwin Delevan and the bride's son, LeVerne Kennedy of Plattsburgh.

Mr. Allbee was a resident of Plattsburgh for a great part of the past few years until he removed to Glenwood to make

his home. A number of years ago Mr. Allbee suffered the loss of both hands in an accident at Alliance but in the years has gradually overcome this handicap. He is at the present time justice of the peace at Glenwood.

### Omaha Parties Are Married at City Hall

Monday afternoon at the office of Judge Charles Graves in the city hall Arthur O'Brien and Helen Speete, both of Omaha were married by the judge in his very impressive manner.

The wedding was witnessed by Charles C. Minor of Kankakee, Illinois, and Walter Bryant of this city, who were called in to attend the ceremony. At the close of the wedding the bridal party returned to their home at Omaha.

### Senior Woman's Club Meeting Held Monday

The Plattsburgh Senior Woman's club met Monday night at the home of Mrs. Louis Ward Egenberger, at 7th street and Avenue A.

The meeting was opened by Mrs. Egenberger, the members joining in the pledge of allegiance to the flag of the United States. The devotions of the meeting were in charge of Mrs. H. G. McClusky.

There was a short business session and the report of the secretary, Mrs. W. E. Hickey, who was also the program chairman, "Make Straight the Way in Civic Enterprise," being the topic of the program.

The speaker was Walter H. Smith, county attorney, who was presented by Mrs. Etta Gorder. Mr. Smith spoke on "The Youth of the Community," and stressed the need for youth employment, to take up the idle time of the young, as well as the great need of youth recreations and the establishment of entertainment centers for the youth. Mr. Smith also talked of some of the problems that must be solved in order to make our community a better place for our youth.

Guests of the club for the evening were Mrs. John Bauer, Jr., and Mrs. Amos Blackledge.

At an appropriate hour a very dainty and delicious luncheon was served by the hostesses, Mrs. William Kraeger, Mrs. L. B. Dalton, Mrs. F. I. Rea, Mrs. Raymond J. Larson, Mrs. Clarence Akesson, Mrs. Joseph Mayer.

### Castlebury-Martin Wedding in West

THE many friends in this city and vicinity, of Robert Martin, son of Mr. and Mrs. Walter Martin, will be interested in learning that this popular young man was married during the Christmas season in California.

Miss Margaret Castlebury of Huntington Park, California, became the bride of Mr. Martin at Christmas at the Madeline's chapel at Huntington Park.

Mr. Martin, who is a naval veteran of the last world war, has been a resident on the west coast for the past two years and it is expected that the young people will continue to make their home there in the future.

The many friends here will join in their best wishes to the young people for many years of happiness and success.

### NOW IN NEW LOCATION

The official station of the Griffin taxi line in the day and early evening, is now located at the Hotel Plattsburgh in the business center of the city, where they are able to receive and answer all calls. It is arranged so that the calls are over the same telephone at all times but during the late evening or early morning the calls are answered from the Griffin home.

The business meeting was brought to order by the president of the Unit, Mr. Fritz O. Siemonet. The secretary gave his report. A report was given by the membership chairman. Discussion was held on fertilizer, the consolidation of schools, and the Schroeder Road Bill. The unit made contributions to the Infantile Paralysis campaign and the Children's Memorial Hospital. The meeting was closed by the singing of numerous folk songs.

The remainder of the evening was spent in card playing and visiting.

Delicious refreshments were served at an appropriate hour by the hostess.

The next meeting will be held at the home of Mr. and Mrs. Walter Weiss on February 4th. Mrs. August Siemonet, Reporter.

### FINDS TRAVEL DIFFICULT

District Judge Thomas E. Dunbar and Court Reporter Patterson were here Tuesday to hold a short session of the court and report the travel as being difficult, it required fifty-five minutes for them to travel from Nebraska City to Plattsburgh.

One of the greatest troubles was that the frost or sleet formed on the windows of the car and required a great deal of stopping and personal labor in prying off the ice.

### Credit Woman's Breakfast Club

Tuesday evening the members of the Plattsburgh Woman's Breakfast club met at the Pine room of the Rainey cafe for their regular session and to enjoy a very delightful dinner that had been arranged for their entertainment by the management.

The business session was presided over by Mrs. Louis Ward Egenberger, the president, and the various officers reports received by the club.

Miss Ruth Patton, vice-president, had charge of the lesson of the evening that was on "Credits" and very interestingly given. Following the lesson the various members of the group had a most interesting informal discussion of the lesson.

Despite the bad weather conditions there was a very fine attendance of the members out to enjoy the meeting and in visiting with each other.

### DRY ICE SHOTS PISTOL

EVANSVILLE, Ind. (AP)—John Calling, an engineer, has invented a pistol that uses dry ice as a substitute for gunpowder. Calling says the pistol shoots a bullet with greater force than an air gun. A cylinder containing four ounces of dry ice is under the chamber. When the ice "melts," it forms carbon dioxide gas which creates 1,000 pounds pressure per square inch.
