Jesus Chooses the Twelve.
Lesson for February 20: Mark 1:16-20; Luke 6:12-16.
Memory Selection: John 15:16.

The Twelve were called to their great task. "Apostle" means one sent. The Apostles were trained for their work in association with the Great Teacher.

The Lord sent them out after he had spent a night in prayer. Let all who have part in sending men into fields of service of the Church seek counsel of God.

The men chosen were of the middle class, plain and unlettered men. But, under the training of the Master and empowered by the Spirit, they were able to "turn the world upside down," to begin a movement of grace that has reached the ends of earth. Men of courage, the most of them suffered martyrdom. Only Judas betrayed his trust.

Of different temperaments and abilities, they were one, with the exception of Judas. In loyalty to their Lord, like the mighty men of David, out to make him king, the Apostles were out to make Jesus King. They at once answered the call, they left their all to follow him, and they never turned back.

The pattern of their work may serve preachers and teachers of the present — to have fellowship with Christ, preach his gospel, and cast out evil. The organization of their work was left to them. It was theirs to form the church, and they established it so well that the "gates of hell" have not prevailed against it, nor ever will. The Church Invisible, gathered of the true believers of all Christian churches, still needs men and women who are ready to be sent wherever Jesus wills. Are you ready?

CHRISTIAN SCIENCE SOCIETY
Sixth Street & 2nd Avenue
"Mind" is the subject of the Lesson-Sermon which will be read in Christian Science Churches throughout the world on Sunday, February 20, 1949.

The Golden Text is: "Great is our Lord, and of great power: his understanding is infinite" (Psalms 147:5). Other Bible citations include: "For, lo, he that fathometh the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the

earth. The Lord, the God of hosts, is his name" (Amos 4:13).
The Lesson-Sermon also includes the following passage from the Christian Science text: "Key to the Scriptures" by Mary Baker Eddy. "A limitless Mind cannot proceed from physical limitations. Finiteness cannot present the idea or the vastness of infinity. A mind originating from a finite or material source must be limited and finite. Infinite Mind is the creator, and creation is the infinite image or idea emanating from this Mind. If Mind is within and without all things, then all is Mind; and this definition is scientific" (page 256).

The Plattsmouth government building completed and occupied in 1911 at Fifth and Avenue A, the site being selected after a struggle for the location at this point rather than farther west on this same street. Originally the site was occupied by a residence property. When Mr. Soennichsen first came to Plattsmouth in 1882 the postoffice was located in the site now occupied by the Journal, at that time the Waterman building. After the erection of the Hotel Riley in 1891 the postoffice was removed to that site and remained until moved to the present structure.
